Relocating Agency:

Relocating Agency Olakunle George, 2012-02-01 2003 CHOICE Outstanding Academic Title Combining a sustained critical engagement of Anglo American theory with focused close readings of major African writers this book performs a long overdue cross fertilization of ideas among poststructuralism postcolonial theory and African literature The author examines several influential figures in current theory such as Habermas Althusser Laclau and Mouffe as well as the theorists of postcolonialism and offers an extended reading of the Nigerian writers D O Fagunwa Wole Soyinka Amos Tutuola and Chinua Achebe He argues that contrary to what the purism and voluntarism common to postcolonial theory might suggest one lesson of African letters is that significant agency can result from acts that are blind to their determinations For George African letters offer an instance of agency in motion as opposed to agency in theory *The American Indian Relocation Program* Association on American Indian Affairs, La Verne Madigan, 1956 **Uniform Compensation for Relocation** United States. Congress. Senate. Committee on Government Operations.
