A Day in a Working Life Gary Westfahl, 2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field

Salt the Water Candice Iloh, 2024-09-24 A Michael L Printz Award Honor Book Cerulean Gene is free everywhere except school where they're known for repeatedly challenging authority Raised in a free spirited home by two loving parents who encourage Cerulean to be their full self they've got big dreams of moving cross country to live off the grid with their friends after graduation But a fight with a teacher spirals out of control and Cerulean impulsively drops out to avoid the punishment they fear is coming Why wait for graduation to leave an oppressive capitalist system and live their dreams Cerulean is truly brilliant but their sheltered upbringing hasn't prepared them for the consequences of their choice especially not when it's compounded by a family emergency that puts a parent out

of work Suddenly the money they d been stacking with their friends is a resource that the family needs to stay afloat Salt the Water is a book about dreaming in a world that has other plans for your time your youth and your future It asks what does it look like when a bunch of queer Black kids are allowed to dream And what does it look like for them to confront the present circumstances of the people they love while still pursuing a wildly different future of their own Citrus+ Vol. 3 Saburouta,2021-11-04 After all the drama that went down at school Matsuri has started skipping classes Harumi has never gotten along with Matsuri but decides to go to her home to check up on the younger girl It is awkward as heck and gets even weirder when Matsuri goes in for a kiss *Tabernacle for the Sun* Linda Proud,2013-08-09 A Tabernacle for the Sun is a novel set in the Florence of Lorenzo de Medici and is the first part of The Botticelli Trilogy It is the story of a boy torn between his loyalty to his family and that to his city governed by the Medici He wants to leave the world behind in his pursuit of the new Platonic philosophy but the world won t let him go **Ecce Homo** Kent Brintnall,2011 Drawing on perspectives from a range of disciplinesa including religious studies gender and queer studies psychoanalysis art history and film theory *Ecce Homo* explores the complex ambiguous meanings of the enduring figure of the male body in pain *Oblivion's Cloak* Dylan McFadyen,2022-12-03 First Lieutenant Shaara was dead this morning Her captain is furious at her She wasted company resources getting herself killed and it s coming out of her paycheck Now she s sitting across from the first other human being she s seen in six years His name is Adnan He claims to come from Earth but that s impossible Earth died a long time ago If Adnan s telling the truth he and the decaying ship the captain pulled him off are nearly a thousand years old Wherever he s from he s Shaara s responsibility now Which is the last thing she needs But it s either that or the captain sells Adnan into slavery Shaara knows what that would mean Most humans do And something inside her won t let her abandon Adnan to it revenant memories stabbed awake by the look in his eyes Facing those memories won t be easy It d be far easier to ignore the feeling driving her forward Far easier to let it all go to hell and drift back to sleep Until a shadowy new faction starts stoking the fires of war They re looking for Adnan Earth s last survivor holds the key to unleash a terrible indiscriminate vengeance on the galaxy that wronged them Who they are is a mystery to everyone but Shaara Hard as she s tried to forget she knows them all too well Which means she s the only one who can stop them The question is does she want to Maybe the galaxy s earned a little vengeance **Blood Kin** M.J. Scott,2012-06-05 From the author of *Iron Kin* and *Shadow Kin* a new novel of fantasy romance and adventure Imagine a city divided A city where human and Fae magic rests uneasily next to the vampire Blood and the shapeshifting Beasts A city where a fragile peace is brokered by a treaty that set the laws for all four races a treaty that is faltering day by day I didn t plan on becoming a thief and a spy But options are limited for the half breed daughter of a Fae lord My father abandoned me but at least I inherited some of his magic and my skills with charms and glammers mean that few are as good at uncovering secrets others wish to hide Right now the city has many secrets And those who seek them pay so well I never expected to stumble across a Templar Knight in my part of the

city Guy DuCaine is sworn to duty and honor and loyalty all the things I m not I may have aroused more than his suspicion but he belongs to the Order and the human world So when treachery and violence spill threaten both our worlds learning to trust each other might be the only thing that saves us But even if a spy and a holy knight can work together finding the key to peace is never going to be easy
