Living Dangerously Shawn D. Anderson, 2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's

eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation [Hell Is Being Republican in Virginia](#) David Goetz,2012-06-05 [Useful Wisdom](#) Anthony B. Providence Made Flesh Terry J. Wright,2009-11-01 Traditional discussions of the Christian doctrine of providence often center on the relation between divine agency and human freedom seeking to offer an account of the extent to which a person is free before God the first cause of all things Terry J Wright argues that such riddles of causation cannot determine the

content of providence and suggests a unique and alternative framework that depicts God's activity in terms of divine faithfulness to that which God has made. Providence is not God as first cause acting through creaturely secondary causation; rather, providence is God's sovereign mediation of the divine presence across the whole world achieved through creaturely faithfulness made possible and guaranteed by his own faithful action in Jesus Christ.
