Remaking American Values Challenge To A Business Society:

Remaking American Values Neil W. Chamberlain, 1977 Values, Nature, and Culture in the American Corporation
William C. Frederick, 1995-09-21 In *Values Nature and Culture in the American Corporation* distinguished ethicist William Frederick explores issues of fundamental importance to all who aspire to conduct their business affairs ethically He begins with an examination of the three value systems in business that are basically incompatible and therefore in constant tension The first is the need for managers to efficiently allocate resources for maximum profits The second is the natural tendency for managers in pursuit of the first goal to accumulate power for its own sake The third is the desire for people in the community to create relationships that will perpetuate these communities Frederick brings in a range of ideas and concepts from the social sciences as well as the natural sciences to illuminate his discussion In the final section of the book he explores a range of issues of current concern to managers including corporate culture and technology Capitalism, in Spite of it All
