Remember This My Children

Anthony Le Donne, Lawrence Behrendt

Remember This My Children:

"You're gonna be special, my child." Ouided Bouchamaoui, 2022 The motivation to write this book flowed naturally from the grace of the Nobel Peace Prize a prize won the hard way by a quartet of organizations determined to unravel an untenable situation in an unbreathable atmosphere Taking the form of an account of my personal journey leading up to the culmination of the Nobel Prize the book rightly belongs to the genre of real biographies nevertheless it is at the same time a scrupulous testimony namely mine on events experienced first hand during a crucial period of the political scene in Tunisia where I was fated to play a frontstage role So dear reader I faithfully offer you my narrative which is intended to be unadorned and transparent It reproduces events and situations as they really happened and also corrects a few inevitable highly exaggerated clichés reproduced here and there in newspapers and other media It is a witness account of an experience lived first hand taken as I was by the irresistible swirl of the events of that period along with and among the other actors of history It represents the sum total of my personal journey up to that point in time where I also highlighted the significant milestones and vicissitudes in my life that had led to shaping my consciousness and helped me to form and grasp my idea of engagement

Sacred Dissonance Anthony Le Donne, Lawrence Behrendt, 2022-10-04 Sacred Dissonance is a thought provoking study exploring the distinctions between religious identities and cultural boundaries of Jews and Christians Opposing the notion that all faiths are the same Anthony Le Donne a New Testament scholar and Larry Behrendt a Jewish lawyer offer introspective essays on topics such as neighborhood relations hospitality and the Holocaust and provide a model for addressing a difficult past and challenging present

The Desert Remembers My Name Kathleen Alcalá, 2007-04-26 My parents always told me I was Mexican I was Mexican because they were Mexican This was sometimes modified to Mexican American since I was born in California and thus automatically a U S citizen But my parents said this too was once part of Mexico My father would say this with a sweeping gesture taking in the smog the beautiful mountains the cars and houses and fast food franchises When he made that gesture all was cleared away in my mind's eye to leave the hazy impression of a better place We were here when the white people came the Spaniards then the Americans And we will be here when they go away he would say and it will be part of Mexico again Thus begins a lyrical and entirely absorbing collection of personal essays by esteemed Chicana writer and gifted storyteller Kathleen Alcalá Loosely linked by an exploration of the many meanings of family these essays move in a broad arc from the stories and experiences of those close to her to those whom she wonders about like Andrea Yates a mother who drowned her children In the process of digging and sifting she is frequently surprised by what she unearths Her family she discovers were Jewish refugees from the Spanish Inquisition who took on the trappings of Catholicism in order to survive Although the essays are in many ways personal they are also universal When she examines her family history she is encouraging us to inspect our own families too When she investigates a family secret she is supporting our own search for meaning And when she writes that being separated from our indigenous

culture is a form of illiteracy we know exactly what she means After reading these essays we find that we have discovered not only why Kathleen Alcalá is a writer but also why we appreciate her so much She helps us to find ourselves Raising Christian Children in a Secular World Cheryl Dickow,2007-04 A gentle guidebook that reminds parents to turn to the ultimate source and authority on raising children The Bible Bible passages and simple activities enhance each chapter in a way that allows parents to make the messages come alive in their home and in their family's lives *Ken Ham Daily* Ken Ham,2024-12-04 A Powerful Resource to Equip You with Biblical Truths for Everyday Life Ken Ham Daily 365 Musings Inspirations Answers is an essential resource for Christian parents looking to strengthen their family's faith and equip their children to stand firm in today's culture This collection of 365 daily readings by renowned apologist Ken Ham offers a unique opportunity to guide your family through biblical truths that address the most pressing spiritual and cultural issues of our time Perfect for family devotions Ken Ham Daily encourages parents to take the lead in discipling their children With each reading you can easily guide your family through topics like the nature of God salvation the authority of Scripture and the importance of the church These reflections are also a powerful resource for your church community offering daily lessons that can be shared in small groups Bible studies and Sunday school classes Ken Ham's fifty years of ministry experience have culminated in this incredible resource designed to help Christian families like yours live out their faith with confidence Ken Ham Daily isn't just a book it's a tool for cultivating a strong lasting biblical foundation in your home and church Let this resource help you lead your family in faith one day at a time **Jesus is the key** Judith Archer,2015-06-01 This book was made to emphasize His greatest love to all human races that when He died He offered it to His Father He was obedient and He listened to what His Father wanted Him to fulfil to obtain the greatest gift that He offered to mankind the gift of love He emphasizes to all that His love is never ending that He is always there for all through the good Holy Spirit He speaks to everyone through this servant this servant will never leave His children He promised that to all mankind that they will live a fruitful life if they choose the good Holy Spirit as their counsellor their guiding light and their comfort Jesus is the Key is design to shape people's life it is meticulously design to fix and dig all areas of human characteristics negative and positive so it enables the people to grasp the good Holy Spirit which lead the people to hear the voice of Jesus Christ God the Father and all the heavenly Family that is if they are willing to ask the good Holy Spirit and if they are focus and believe then they can acquire so many gifts that the Holy Spirit reveals they can have knowledge and wisdom so they will have a normal joyful and peaceful life with compassion and humility **From Child to Elder** Alan Pope,2006 From Child to Elder explores the personal growth that can arise when a middle aged adult loses his or her last living parent Based on an empirical phenomenological study this book details the complex ways in which the adult orphan's ongoing relationship to the deceased parents combined with the unique meanings of the loss leads to a deepening of individual autonomy and spiritual awakening Confrontation with mortality and fundamental aloneness promotes among other things an increased sense of existential
