Remember Jesus:

Remembering Jesus Allen Verhey, 2005-06-14 In the past decade many Christians have embraced the What Would Jesus Do campaign which encourages them to base their decisions and actions on this question In Remembering Jesus the book that promises to be his magnum opus Allen Verhey takes a serious look at what Jesus really said and did and applies it to contemporary Christian ethics Verhey asserts that following Jesus requires remembering him and in order to do this Christians must read and understand Scripture where the memory of Jesus is found By remembering Jesus this book contributes to the effort of Christians to discern the shape and style of life worthy of the gospel More specifically this book displays the implications of Christian integrity for sexual medical economic and political ethics seeking to understand what Jesus would really have to say about these issues today While suitable for pastors and general readers looking for biblically based instruction on practical living this superb work also makes an ideal text for courses on Christian ethics **Remember**

Jesus Christ Raniero Cantalamessa, 2007 What Places does Christ have in modern society Fr Cantalamessa the preacher to the papal household posed that question in a series of Advent and Lent meditations presented to Pope Benedict XVI In Remember Jesus Christ he explains that in order to bring people to Christ today the church needs to proclaim as simply and succinctly as the apostles did that Jesus Christ is Lord And the essential core of that proclamation is the passion and death of Jesus because the cross of Christ is the supreme proof of God's love for us Scripture personal testimonies and allusions to works of art reinforce Cantalamessa's powerful and prophetic message leaving readers with hope and expectant faith in the future of Christianity in the modern world Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James Abdelmalek, 2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God's true promises We are sad in our life because we forget Christ's guidance If we look at God's words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord **Follow Jesus** Carol A.
