Remembering Jews in Maghrebi and Middle Eastern Media Brahim El Guabli, Mostafa Hussein, 2024-09-10 This volume examines the cultural legacy of Jewish emigration from the Maghreb and the Middle East in the years following 1948 Drawing on the remarkable cinematic and literary output of the last twenty years this collection posits loss as a new conceptual framework in which to understand Jewish Muslim relations Previous studies of Jewish emigration have followed the mass departure of Jews but the contributors to this book choose to remain behind and trace the contours of Jewish absence in Maghrebi and Middle Eastern societies Attuned to loss in this way the cultural memories of Jewish Muslim life transcend the narratives of turmoil taboo and nostalgia that have dominated Muslim and prevalent scholarly perspectives on Jewish emigration Read as a whole the collection affords an uncommon opportunity to mourn and heal through a nuanced reckoning with the absence of Jews from communities in which they had lived for millennia Its wide geographic reach and interdisciplinary nature will speak both to scholars and lay readers in Amazigh studies Arabic studies Middle Eastern studies Jewish studies memory studies and a host of other disciplines In addition to the editors the contributors to this volume are Iskandar Ahmad Abdalla Abdelkader Aoudjit Iker Hepkaner Sarah Irving Stephanie Kraver Lital Levy Nadia Sabri and Lior B Sternfeld

Antichrist Revealed Rev'd Dr Graham J Whelan OAM, 2021-12-31 Reverend Dr Whelan commences at the beginning of the Bible where God Elohim Hebrew _ plural creates bara Hebrew singular the heavens and the earth We immediately see the Holy Trinity and God said His creation was good God then makes man and woman in His image The devil and sin enter Genesis 3 1 15 The devil and evil are traced through the Old Covenant the time of ante Christ before Jesus came Several Scriptures are quoted showing the devil's evil influence Moving to the New Covenant of Our Lord Jesus examples of the devil's evil are explained Dr Gumm then continues with the analysis of the Books of Daniel and Revelation where for the first time scriptures and heavenly signs align and the future end times and antichrist revealed

Remembering the Civil War Caroline E. Janney, 2013-06-03 As early as 1865 survivors of the Civil War were acutely aware that people were purposefully shaping what would be remembered about the war and what would be omitted from the historical record In *Remembering the Civil War* Caroline E Janney examines how the war generation men and women black and white Unionists and Confederates crafted and protected their memories of the nation's greatest conflict Janney maintains that the participants never fully embraced the reconciliation so famously represented in handshakes across stone walls Instead both Union and Confederate veterans and most especially their respective women's organizations clung

tenaciously to their own causes well into the twentieth century Janney explores the subtle yet important differences between reunion and reconciliation and argues that the Unionist and Emancipationist memories of the war never completely gave way to the story Confederates told She challenges the idea that white northerners and southerners salved their war wounds through shared ideas about race and shows that debates about slavery often proved to be among the most powerful obstacles to reconciliation
