Bradman Revisited A. L. Shillinglaw, 2013-09-09 Published in 2003 Bradman Revisited sold out as the first analysis of his batting technique to be supported by science Further research has necessitated this update We conclude Bradman's boyhood game with golf ball and stump which evolved naturally into his Continuous Rotary Batting Process was the foundation to his success

The Great Romantic Duncan Hamilton, 2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn't know a leg break from the pavilion cat at Lord's he became a star in his own right with exquisite phrase making disdain for statistics and a penchant

for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist s aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown The Great Romantic uncovers the dark enigma within a golden age

Bradman & the Summer that Changed Cricket Christopher Hilton,2014-08-14 Sir Donald Bradman is widely considered to be the greatest batsman who has ever lived In 1930 he arrived in England a callow youth whose lack of technique or so the English thought would be mercilessly exposed By summer s end he had redefined the possibilities of the game and changed it forever This fascinating book reconstructs that Australian tour from the first day to the last in the most lively detail including every run in Bradman s legendary 300 scored in one day during the Leeds Test This is a must for every cricket lover Using a host of contemporary sources from regional Australian newspapers and original score sheets to English provincial and national newspapers and players memories Christopher Hilton brings all aspects of the 1930 summer tour vividly to life He revisits every controversy surrounding one of the sport s most momentous occasions in a way that will bring great enjoyment and a sense of history to readers young and old Christopher Hilton worked for national newspapers notably the Daily Express for 25 years He has since written more than sixty books on a variety of sports as well as history and politics This is his third cricket book Married with a daughter he lives in Hertfordshire

The Promise of Endless Summer The Daily Telegraph, 2013-04-04 Whenever an august figure departs the world of cricket The Daily Telegraph records a decorous tribute There will certainly be an obituary in days of yore penned by the doyen of cricket writers E W Swanton in recent times unafraid to be a lot more whimsical waspish and even extremely funny There will often be an appreciation by one of the paper's stable of cricket correspondents such as Derek Pringle Michael Henderson or Scyld Berry most likely drawing on their memories of having played against the subject or watched his deeds And sometimes a hero's demise will prompt a heartfelt tribute from someone whose only qualification as an elegist is their own eloquence as John Major displays on Denis Compton and Michael Parkinson on Keith Miller And those cricket lives deemed worthy of memorialising need not be illustrious Test careers though all the great names from Bradman to Bedser Cowdrey to D Olivier are here They can also be quixotic county mavericks like Bomber Wells self-effacing professionals like Tom Cartwright and Derek Shackleton or charismatic one-offs like Colin Milburn or the Nawab of Pataudi They may not even be

cricketers but rather much loved commentators and broadcasters like Brian Johnston and Christopher Martin Jenkins players turned umpires like David Shepherd and Bill Alley or like the Bishop of Liverpool who previously opened for Sussex and England have made their name equally elsewhere Their achievements are often hymned by their peers Mark Nicholas on his Hampshire team mate Malcolm Marshall Tony Lewis on John Arlott Colin Croft on Alf Valentine and Simon Hughes on facing the fearsome Sylvester Clarke Here then are more than eighty greats of the game Australians and South Africans alongside Somerset yeomen and Yorkshire s finest For any cricket lover this little book is an endlessly browsable testament to the sheer richness and variety of the cricketing life

Sir Donald Bradman Memorabilia James Merchant,2015-10-01 Sir Donald has always encapsulated a lot of what inspires me He was a remarkable sportsman and an Australian Legend who handled his fame with class His cricket prowess and longevity of life meant that a lot of memorabilia was produced since around 1930 and there is always a market for it As a person inflicted with the collecting bug and a strong sense of National pride I couldnt help myself There are many collectors and museums in the cricketing world but there is very little reference material relating to their treasures I have always kept the sales advertisements brochures certificates and boxes pertaining to the items in my collection because they give it more meaning An item of memorabilia can give you visual stimulus and even prompt some feelings relating to its procurement or your journey to see it However Ive learnt that a little bit of knowledge can also transcend an item of memorabilia from an object to something more of a friend or family member For the statistically minded there are 209 A4 pages featuring 141 different items 214 colour images 381 references and 89 different cricketers are mentioned in connection with the items

Pinter's World William Baker,2018-09-15 Pinter s World Pinter and

Company is not a full scale biography but a series of illuminating chapters about Pinter's life, character and thought employing new information found in his Appointment Diaries, recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences in addition to personal discussions with several in Pinter's world. This book provides a fresh illumination of Pinter's life and art, his friendships, obsessions and concerns. Material is arranged around themes: key concerns, Pinter's activities, Pinter's meetings and endeavors for instance with whom he met and when, when he wrote what and when, and his perspective at the time are documented. This work explores Pinter's writing: drama, poetry, prose, journalism and letters which are here regarded as part of his aesthetic achievement. Pinter's World: Pinter and Company presents a pointillist portrait of him through examining central concerns in his life. These encompass an obsession with the theater and games, delight in restaurants, demonstrating that Pinter is far removed from the socially awkward, isolated figures populating his early work and the women in Pinter's world. Other areas examined include Pinter's political engagement from his adolescence to his last years and the literary and other creative influences upon him. This work draws upon consultation of his papers at the British Library including letters to others, especially close friends with whom he kept close contact for over half a century. These letters should be regarded on par with his other creative accomplishments. Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing, often in abrupt, most colorful idiomatic language. His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met. Memories from his friends, his professional colleagues, cricket players and his second wife, Antonia Fraser, illuminate Pinter's personality and actions. Pinter's first literary love was poetry and unlike most other Pinter studies, this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist.

Maestro David Tossell, 2025-10-20. Fascinating story of Garry Sobers, the greatest cricketer of his generation who rose from poverty in Barbados to become West Indies captain and receive a knighthood. Yet his life was not without drama and controversy, both personal and political. By acclaimed cricket writer David Tossell whose work has been shortlisted seven times in the British Sports Book Awards and three times for MCC Cricket Society Book of the Year. *Maestro* offers a full and impartial study of Sir Garfield Sobers including his feats and his flaws and celebrates perhaps the greatest talent ever seen on a cricket field. This compelling book traces his boyhood in Barbados where he grew up in poverty after the wartime death of his father at sea when Garry was only four. Shows how Sobers developed from a left arm spinner into the game's premier all rounder and recalls his greatest achievements including his Test best innings of 365, his six sixes in an over for Nottinghamshire, triumphant tours of England in 1963 and 1966 and his great success in Australia including smashing an unforgettable 254 against a rampant Dennis Lillee. Explores the significance of Sobers's appointment as West Indies captain which was as important culturally as that of Frank Worrell, his nation's first black captain. Looks at the impact of the tragic car crash that killed Garry's friend Collie Smith and could have cost Sobers his own life or liberty. Dissects

the political storm Sobers ignited by playing in Rhodesia splitting the Caribbean community and creating a diplomatic incident between governments almost costing him the West Indies captaincyAssesses his eight years as West Indies captain and looks at whether his infamous ill fated declaration in Trinidad was bad luck a bold gamble gone wrong or an indication that he was not cut out for the roleStudies the lifestyle that set Sobers apart from many of his colleagues the all night drinking and gambling that rarely prevented him from performing great feats on the field A must read for all cricket lovers

Maestro uses new and historical testimony from those who shared the field with Sobers to bring us a 3D picture of this great player
