Remembering the Harlem Renaissance Cary D.

Wintz, 2013-08-21 This volume tracks the many surveys of black literature created during the Harlem Renaissance. Noted works by such authors as Sterling Brown, Benjamin Brawley, and Langston Hughes are covered. Retrospectives also appeared in the journal *Phylon* and many of those also appear in this collection.

Pushing Boundaries: Students Remember 30 Years of Wilderness Challenge Jerry Barker, Ed.D., 2014-08-21 They were mostly inexperienced campers raising their hands to take a big risk, exchanging their comfortable lives for a difficult week of mountaineering. Over 135 college students and alumni tell stories and share memories of teamwork and testing, disappointment and triumph. They pushed their limits, believed in themselves, and took time for personal reflection. Sometimes pain, sore muscles, altitude sickness, and frozen toes seemed insurmountable. Yet in memory, overcoming physical challenges remains a source of great satisfaction. Persisting when they most want to quit teaches young people to think big. Exhaustion and discomfort can be dispelled by camaraderie and humility. In their futures, finding solutions to tough problems will require truly exceptional leadership. Whether they are called to lead, asked to lead, or forced to lead, all who dared those summits will be better prepared to meet any challenge they will face.

C. S. Lewis Remembered Harry Lee Poe, 2009-05-26 What was it like to have C. S. Lewis as a teacher? Most people know C. S. Lewis through his writings, but in his lifetime he was first and foremost a teacher. Now those who were influenced by what they learned from his teaching offer a unique view of one of the most influential Christian writers of all time. What was it like to study under C. S. Lewis when he taught at Oxford and Cambridge? How did his influence and teaching create a legacy that has influenced educators since? *C. S. Lewis Remembered* is a collection of interviews and essays that offer personal perspectives on Lewis the teacher and Lewis the man. These recollections portray him in all his humanity, both the irascibility and the brilliance, both the ferocity of his intellectual precision and the eagerness of his curiosity. Some of this book's contributors chose to study with Lewis because of his Christian faith. Others admired him as a scholar but never shared Lewis's interest in religion. Still others shared his mere Christianity but differed with him over his Protestantism. But all of them came into contact with Lewis when they were young adults, whether they were students, colleagues, or those who knew him informally as a teacher. Many of them followed in his footsteps and became educators as well. Former students such as W. Brown Patterson, Peter Milward, and Peter Bayley talk about what it was like to study under Lewis. A recent lecture by Walter Hooper and essays by such noted scholars as Barbara Reynolds offer additional insight on Lewis and his influence. Also included are pieces by Lewis's godson, Lawrence Harwood, a transcript of an interview with Owen Barfield, a friend who knew Lewis from the time Lewis returned to Oxford after World War I and who played an important role in Lewis's shift from atheism to belief in God, and a hitherto unpublished sketch of Lewis by Mary Shelley Neylan. In addition, an article that appeared in *SF Horizons*, a magazine for science fiction fans, offers a transcript of a taped conversation between C. S. Lewis

Memory Formation in Isaiah 40-55 Megan C. Roberts, 2025-08-11 While scholars recognize that comfort and memory are dominant interconnected themes in Isaiah 40 55 the phenomenon of collective memory itself has not received specific attention to clarify why memory is connected to comfort Sociological memory studies and trauma theory fill this methodological gap by explaining the nature of memory framework formation within Second Isaiah Jacob Israel and Zion as poetic figures exemplify the broken memory frameworks of exilic Judeans that do not lead to comfort This analysis of Isa 40 55 then reveals Yahweh s poetic process by which he re forms his people s memory frameworks so that they can receive comfort
