Reminiscences Of Fifty Years In Texas

John J. LINN

Reminiscences Of Fifty Years In Texas:

Reminiscences of Fifty Years in Texas John Joseph Linn, 1986 John J Linn s reminiscences are well known to Texas history scholars but less familiar to general readers The book is one of the first person reflections on early Texas that has the hallmarks of both authenticity and personal interpretation Written in 1883 by an octogenarian who had been an early trader merchant and soldier based in and around Victoria 1 the text begins with Austin s colony and chronicles the state s vicissitudes through the revolution statehood and the Civil War Reminiscences of Fifty Years in Texas John J. Linn, 1986

Reminiscences of Fifty Years in Texas ... A Facsimile Reproduction of the Original [i.e. of the Edition of 1883. With Plates, Including a Portrait.] John J. LINN, 1935 *Reminiscences of 50 Years in Texas* John Joseph Linn, 1935

Recollections of Early Texas John Holmes Jenkins, 2010-07-05 A firsthand account by one who measured up to the demands of danger and hardships and lived to write about it Invaluable Well documented Library Journal As a teenager in the 1950s John Holmes Jenkins set to work on collecting and editing his great great grandfather s writings about his experiences on the Texas frontier John Holland Jenkins joined General Sam Houston s army at age thirteen after losing his stepfather at the Alamo In addition to fighting the Mexicans he faced peril from Indian warriors as well as the everyday difficulties of pioneer life His reports on the events of the time were included in newspapers with very small readerships and his descendant would discover were sometimes used word for word in respected history textbooks without any credit given to the source This volume includes these memoirs of the Texas Republic and early statehood along with illustrations notes biographical sketches a bibliography and an index Fascinating A commendable job The New York Times These reminiscences light up for whoever will read the earliest days of early English speaking Texas J Frank Dobie from the foreword **José María de Jesús Carvajal** Joseph E. Chance, 2012-08-31 Jos María de Jesús Carvajal is both a biography of a Mexican postrevolutionary and a study of the development of a new border between Mexico and the United States during the crucial decades of the early to mid nineteenth century The work examines the challenges faced by Carvajal a bilingual bicultural character in confusing times against the historical backdrop of the history of colonial Texas and northern Mexico Chance has chosen to focus on a political military figure whose career stretches from the Texas Revolution to the French Intervention Carvajal played a key role in the violent struggle between the liberal and conservative political factions that vied for control of the Republic of Mexico from 1830 to 1874 He was the leader of a mercenary army that invaded Mexico from the United States in 1851 in an unsuccessful attempt for the creation of the so called independent Republic of the Sierra Madre In addition he played significant roles in the struggle for Texas Independence and formation of the ill fated Republic of the Rio Grande and he opposed the American occupation of northern Mexico during the Mexican American War the War of Reform that solidified liberal control of Mexico under the leadership of Benito Juárez and the French Intervention into Mexico Carvajal s life and exploits have been largely overlooked by contemporary historians This work sheds new light on several

important chapters in the history of Texas and northern Mexico **Recollections of a Tejano Life** Antonio Menchaca, Timothy Matovina, Jesús F. de la Teja, Justin Poché, 2013-12-01 San Antonio native military veteran merchant and mayor pro tem Jos Antonio Menchaca 1800 1879 was one of only a few Tejano leaders to leave behind an extensive manuscript of recollections Portions of the document were published in 1907 followed by a corrected edition in 1937 but the complete work could not be published without painstaking reconstruction At last available in its entirety Menchaca s book of reminiscences captures the social life people and events that shaped the history of Texas s tumultuous transformation during his lifetime Highlighting not only Menchaca s acclaimed military service but also his vigorous defense of Tejanos rights dignity and heritage *Recollections of a Tejano Life* charts a remarkable legacy while incorporating scholarly commentary to separate fact from fiction Revealing how Tejanos perceived themselves and the revolutionary events that defined them this wonderfully edited volume presents Menchaca s remembrances of such diverse figures as Antonio López de Santa Anna Jim Bowie Davy Crockett Sam Houston General Adrián Woll Comanche chief Casamiro and Texas Ranger Jack Hays Menchaca and his fellow Tejanos were actively engaged in local struggles as Mexico won her independence from Spain later many joined the fight to establish the Republic of Texas only to see it annexed to the United States nine years after the Battle of San Jacinto This first person account corrects important misconceptions and brings previously unspoken truths vividly to life

Charlie Siringo's West Howard R. Lamar, 2020-06 The colorful life of Charlie Siringo and the image of the American West he helped to create *The Works of Hubert Howe Bancroft ...: The native races. 1882* Hubert Howe Bancroft, 1889

History of the North Mexican States... Hubert Howe Bancroft, 1889

Reminiscences Of Fifty Years In Texas Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Reminiscences Of Fifty Years In Texas**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
