Renaissance Discourses Of Desire

Paul Hammond

Renaissance Discourses Of Desire:

Renaissance Discourses of Desire Claude J. Summers, Ted-Larry Pebworth, 1993 Love and sex are preeminent subjects of Renaissance literature however attitudes toward these topics were hardly uniform The discourses of desire from this period embrace works as dissimilar as sonnets on frustrated love and libertine invitations to lust Writers both idealized and demystified sex alternately equating it with religious transcendence or exposing it as a mere bodily itch The fifteen essays in this volume clarify the sexual beliefs and prohibitions of the Renaissance period and examine the manifestations of those ideas in literature Renaissance Discourses of Desire confronts important questions about the relationship of sexuality and textuality in the period using a variety of critical methods and ideological presuppositions Some of the essays focus on the intertwining of political and sexual discourse the difference between men and women as desiring subjects and the erotics of criticism The representation of homoerotics and homosexuality is discussed as is the impact of economic and social ideologies on love poetry and sexual expression Among the texts explored are works by Shakespeare Spenser Donne Carew Herrick Suckling Burton Katherine Philips Aphra Behn and Milton With their varied approaches these essays illustrate the richness of the topic and its susceptibility to a number of critical techniques Illuminating important authors and significant texts the essays collected here contribute to a fuller understanding of the complexities and range of seventeenth century discourses of desire while also helping to chart the outlines of the period s sexual ideologies and anxieties *The Wit of Seventeenth-century Poetry* Claude J. Summers, Ted-Larry Pebworth, 1995 As the twelve original essays collected in this volume demonstrate to study the wit of seventeenth century poetry is necessarily to address concerns at the very heart of the period s shifting literary culture It is a topic that raises persistent questions of thematics and authorial intent even as it interrogates a wide spectrum of cultural practices These essays by some of the most renowned scholars in seventeenth century studies illuminate important authors and engage issues of politics and religion of secular and sacred love of literary theory and poetic technique of gender relations and historical consciousness of literary history and social change as well as larger concerns of literary production and smaller ones of local effects Collectively they illustrate the vitality of the topic both in its own right and as a means of understanding the complexity and range of seventeenth century English poetry

Sacramental Poetics at the Dawn of Secularism Regina Mara Schwartz, 2008-05-30 Sacramental Poetics at the Dawn of Secularism asks what happened when the world was shaken by challenges to the sacred order as people had known it an order that regulated both their actions and beliefs When Reformers gave up the doctrine of transubstantiation even as they held onto revised forms of the Eucharist they lost a doctrine that infuses all materiality spirituality and signification with the presence of God That presence guaranteed the cleansing of human fault the establishment of justice the success of communication the possibility of union with God and another and love These longings were not lost but displaced Schwartz argues onto other cultural forms in a movement from ritual to the arts from the sacrament to the sacramental Investigating

the relationship of the arts to the sacred Schwartz returns to the primary meaning of sacramental as sign making noting that because the sign always points beyond itself it participates in transcendence and this evocation of transcendence of mystery is the work of a sacramental poetics **Spenser and the Discourses of Reformation England** Richard

Mallette,1997-01-01 Spenser and the Discourses of Reformation England is a wide ranging exploration of the relationships among literature religion and politics in Renaissance England Richard Mallette demonstrates how one of the great masterpieces of English literature Edmund Spenser s *The Faerie Queene* reproduces criticizes parodies and transforms the discourses of England during that remarkable political and literary era According to Mallette *The Faerie Queene* not only represents Reformation values but also challenges questions and frequently undermines Protestant assumptions Building upon recent scholarship particularly new historicism Protestant poetics feminism and gender theory this ambitious study traces *The Faerie Queene* s linkage of religion to political and social realms Mallette s study expands traditional theological conceptions of Renaissance England showing how the poem incorporates and transmutes religious discourses and thereby tests appraises and questions their avowals and assurances The book s focus on religious discourses leads Mallette to examine how such matters as marriage gender the body revenge sexuality and foreign policy were represented in both traditional and subversive ways in Spenser s influential masterpiece A bold and finely argued contribution to our understanding of Spenser Reformation thought and Renaissance literature and society Mallette s study will add to the ongoing reassessment of England during this important period **Figuring Sex Between Men from Shakespeare to**

Rochester Paul Hammond,2002 Includes discussion of the *Sonnets Twelfth night* and *The merchant of Venice* *Gender and the Sacred Self in John Donne* Elizabeth M. A. Hodgson,1999 This first book length feminist study of Donne argues that his sacred subject position is ambivalently and illustratively invested in cultural archetypes of mothers daughters and brides The chapters focus on baptism marriage and death as key moments in Donne s and his culture s construction of the gendered soul **The Art of Shakespeare's Sonnets** Helen Vendler,1999-11 Analyzes all of Shakespeare s sonnets in terms of their poetic structure semantics and use of sounds and images **Emotions and Daily Life in Colonial Mexico** Javier

Villa-Flores,Sonya Lipsett-Rivera,2014-05-15 The history of emotions is a new approach to social history and this book is the first in English to systematically examine emotions in colonial Mexico It is easy to assume that emotions are a given unchanging aspect of human psychology But the emotions we feel reflect the times in which we live People express themselves within the norms and prescriptions particular to their society their class their ethnicity and other factors The essays collected here chart daily life through the study of sex and marriage love lust and jealousy civic rituals and preaching gambling and leisure prayer and penance and protest and rebellion The first part of the book deals with how individuals experienced emotions on a personal level The second group of essays explores the role of institutions in guiding and channeling the expression and the objects of emotions **The Complete Poems of John Donne** Robin Robbins,2014-06-06

The Poems of John Donne is one volume paperback edition of the poems of John Donne 1572 1631 based on a comprehensive re evaluation of his work from composition to circulation and reception Donne s output is tremendously varied in style and form and demonstrates his ability to exercise his rhetorical capabilities according to context and occasion This edition aims to present the text of all his known poems from the epigrams songs and satires written for fellow young men about town to the more mature verse epistles and memorial elegies written for his patrons The Longman Annotated English Poets series traditionally aims to present poems in chronological order in this edition however the principle has been observed only within generic sections This organisation reproduces the manner in which Donne s original readers first encountered the poems in the various manuscripts of his elegies and satires that circulated in Donne s lifetime Volume One contains the Epigrams Verse Letters to Friends Love Lyrics Love Elegies and Satires Volume Two contains the religious poems Wedding Celebrations Verse Epistles to Patronesses Commemorations and the Anniversaries The lyrics have been arranged alphabetically for ease of reference and because in all but a few cases precise date of composition is impossible to determine Each poem has extensive editorial commentary designed to put the twenty first century reader in possession of all that is necessary fully to appreciate Donne s work A substantial headnote sets each poem in its historical and literary context while the annotations give detailed guidance on the wealth of classical and religious allusions and give full representation to the literary historical and philosophical culture out of which the poems grew In keeping with the traditions of the series Donne s own text has been modernised in punctuation and spelling except where to do so would alter or disrupt a rhyme *Milton's Inward Liberty* Filippo Falcone, 2014-08-19 What is true liberty Milton labors to provide an answer and his answer becomes the ruling principle behind both prose works and poetry The scholarly community has largely read liberty in Milton retrospectively through the spectacles of liberalism In so doing it has failed to emphasize that the Christian paradigm of liberty speaks of an inward microcosm a place of freedom whose precincts are defined by man s fellowship with God All other forms of freedom relate to the outer world be they freedom to choose the good absence of external constraint and oppression or freedom of alternatives None of these is true liberty but they are pursued by Milton in concert with true liberty Milton s *Inward Liberty* attempts to address the bearing of true liberty in Milton s work through the magnifying glass of seventeenth century theology

This is likewise one of the factors by obtaining the soft documents of this **Renaissance Discourses Of Desire** by online. You might not require more grow old to spend to go to the ebook start as without difficulty as search for them. In some cases, you likewise do not discover the notice Renaissance Discourses Of Desire that you are looking for. It will no question squander the time.

However below, behind you visit this web page, it will be thus very simple to get as without difficulty as download guide Renaissance Discourses Of Desire

It will not agree to many times as we tell before. You can complete it while exploit something else at house and even in your workplace. for that reason easy! So, are you question? Renaissance Discourses Of Desire Introduction

In the digital age, access to information has become easier than ever before. The ability to download Renaissance Discourses Of Desire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Renaissance Discourses Of Desire has opened up a world of possibilities. Downloading Renaissance Discourses Of Desire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Renaissance Discourses Of Desire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Renaissance Discourses Of Desire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Renaissance Discourses Of Desire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Renaissance Discourses Of Desire, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Renaissance Discourses Of Desire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Renaissance Discourses Of Desire Books

1. Where can I buy Renaissance Discourses Of Desire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
