Charles G. Nauert

Renaissance Europe 1390 1530:

The Longman Companion to Renaissance Europe, 1390-1530 Stella Fletcher, 2014-02-04 This new Companion is the ideal reference guide It fills a gap by providing an authoritative but accessible reference on political economic religious social as well as cultural developments in this crucial period It contains information on all major topics including the church war and diplomacy civic life learning and letters printing the economy science and technology the arts across Europe and the wider world

Renaissance Europe, 1390-1530 Stella Fletcher, 2000

Handbook to Life in Renaissance Europe Sandra Sider, 2005 Examines architecture and design dance fashion literature music philosophy religion theater and visual arts in Europe between 1300 and 1600

The A to Z of the Renaissance Charles G. Nauert, 2006-02-23 Few periods have given civilization such a strong impulse as the Renaissance which started in Italy and then spread to the rest of Europe During its brief epoch most vigorously from the fourteen to the sixteenth centuries Europe reached back to Ancient Greece and Rome and pushed ahead in numerous fields art architecture literature philosophy banking commerce religion politics and warfare This era is inundated with famous names Da Vinci Michelangelo Raphael Petrarch Machiavelli Cervantes and Shakespeare and the heritage it left can hardly be overestimated The A to Z of the Renaissance provides information on these fields through its chronology which traces events from 1250 to 1648 and its introduction delineating the underlying features of the period However it is the dictionary section with hundreds of cross referenced entries on famous persons from Adrian to Zwingli key locations supporting political and social institutions wars religious reformations achievements and failures which is the heart of this book Further research is facilitated by the bibliography

Voices of the Renaissance John A. Wagner, 2022-02-04 The documents in this collection trace the course of the Renaissance in Italy and northern Europe describing the emergence of a vibrant and varied intellectual and artistic culture in various states cities and kingdoms

Voices of the Renaissance Contemporary Accounts of Daily Life contains excerpts from 52 different documents relating to the period of European history known as the Renaissance In the 14th century the rise of humanism a philosophy based on the study of the languages literature and material culture of ancient Greece and Rome led to a sense of revitalization and renewal among the city states of northern Italy The political development and economic expansion of those cities provided the ideal conditions for humanist scholarship to flourish This period of literary artistic architectural and cultural flowering is today known as the Renaissance a term taken from the French and meaning rebirth The Italian Renaissance reached its height in the 15th and early 16th centuries In the 1490s the ideals of the Italian Renaissance spread north of the Alps and gave rise to a series of national cultural rebirths in various states In many places this Northern Renaissance extended into the 17th century when war and religious discord put an end to the Renaissance era

Longman Companion to Imperial Russia, 1689-1917 David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II

Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period *Later Medieval Europe* Daniel Waley, Peter Denley, 2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History *Longman Companion to the First World War* Colin Nicolson, 2014-07-15 This new Companion covers one of the most devastating conflicts in modern history The Great War traumatised a generation and shaped the whole of the twentieth century Speaking as loudly as any first hand account the facts and figures laid out in this volume reveal the sheer massive destruction caused by the war Covering all aspects of the conflict from its origins and course to the peace settlements and the crises they generated Colin Nicolson unravels historical controversies and also considers the social cultural and economic consequences of the war for the whole of Europe Containing all the essential facts and figures this Companion will be greatly welcomed by teachers academics and students alike *Longman Companion to the Formation of the European Empires, 1488-1920* Muriel E. Chamberlain, 2014-06-11 The European empires as they existed from the Age of Discovery until after the First World War shaped the modern world So great has been their political economic and cultural influence that to fully understand contemporary history and events it is essential to have an understanding of the imperial past This book is an impressive achievement It brings together in one comprehensive volume all the essential facts and figures relating to the process of empire building by the European powers It complements the Longman Companion to European Decolonisation in the Twentieth Century by the same author together they help to explain why different empires had different philosophies dissolved in different ways and left different legacies *Longman Companion to Slavery, Emancipation and Civil Rights* Harry Harmer, 2014-06-11 This Companion provides the essential background to the defining fate of the African diaspora in the Americas and the Caribbean from the 15th to the 20th centuries Central to the book are detailed chronologies on the development and decline of the slave trade slavery in colonial North and South America the Caribbean and the United States movements for emancipation and the progress of black civil rights Separate sections look at the long running resistance against slavery and the black civil rights movements in the Americas and the Caribbean with a comparative chronology of

apartheid in South Africa Supported by biographies of over 100 key individuals and a full glossary providing definitions of crucial terms expressions ideas and events this is required reading for anyone interested in the historical experience of slavery
