## **Rendezvous Au Colorado:**

Los Angeles in Civil War Days, 1860-1865 John W. Robinson, 2013-05-03 Most accounts of California's role in the Civil War focus on the northern part of the state San Francisco in particular In Los Angeles in Civil War Days John W Robinson looks to the southern half and offers an enlightening sketch of Los Angeles and its people politics and economic trends from 1860 to 1865 Drawing on contemporary reports in the Los Angeles Star Southern News and other sources Robinson shows how the war came to Los Angeles and narrates the struggle between the pro Southern faction and the Unionists Los Angeles in the early 1860s was a developing town lacking many of the refinements of civilization that San Francisco then enjoyed and was much smaller than the bustling metropolis we know today The book focuses on the effects of the war on Los Angeles but Robinson also considers social and economic problems to provide a broader view of the community and its place in the nation The Conscription Act and devalued greenbacks incited public unrest and the cattle killing drought of 1862-64 a smallpox epidemic and recurrent vigilantism challenged Angelenos as well California historians and those interested in the city's historical record will find this book a fascinating addition to the body of California's Civil War history **Rendez-vous au**

*Armed Forces Journal International*, 1864 **From Mountain Man to Millionaire** William R. Nester, 2011-06-20 The western fur trade era a time when trappers and traders endured constant danger from man beast and weather was one of the most colorful periods in American history Over a decade ago William R Nester wrote the first biography of Robert Campbell 1804-1879 the subsequent discovery of nearly five hundred new documents most from two major caches of letters led to this even more detailed and vivid account of Campbell's self described bold and dashing life Campbell came to America from Ireland in 1822 and entered the fur trade soon after He quickly rose from trapper to brigade leader to partner all within a half dozen years and this new edition includes an expanded narrative of his adventures in the Rocky Mountain fur trade In the mid 1830s having amassed considerable wealth Campbell retired from the mountains and embarked on a new career He returned to St Louis and built up a business empire that embraced mercantile steamboat railroad and banking interests thus becoming a leading force behind the region's economic development A more extensive account of the cutthroat business

world in which Campbell operated now enriches this portion of the book Nester masterfully depicts the sterling character for which Campbell was renowned Campbell enjoyed deep and enduring friendships and strong familial ties both in America and abroad Although he was an outstanding businessman and philanthropist his personal life was marred by tragedy Ten of his thirteen children died prematurely Despite those tragic losses his faith in God never faltered He believed that all worldly successes should honor God and once wrote that all worldly gain is but dross This edition elucidates the complex relations among his family and chronicles both tragic events and humorous incidents in more depth Exploring the letters journals and account books that Campbell left behind Nester places him in the context of the times in which he lived showing the economic political social and cultural forces that provided the opportunities and challenges that shaped his life Nester provides new insights into Campbell s ownership of slaves his attitudes toward slavery and his behind the scenes political and economic activities during the Civil War This comprehensive exploration of Robert Campbell s life depicts a fascinating era in American history *The Writers Directory*, 2004 **Hallelujah City** Tom LaMarr, 2007 The last thing Scott Chambers expected to find on his doorstep in Aurora Colorado was his twenty one year old daughter Mary Recently exiled from a religious cult in Minnesota Mary is carrying the child of the cult s leader and self proclaimed messiah Daniel Hawker With the Dawn of the New Millennium scheduled for midnight Mary claims she has been sent to convert her skeptical father Yet when the next day s headline in the Denver Post reads Just Another Judgment Day relegating the Doomsday story to page four Mary blames her weaknesses for the world that did not end She announces she will return to Minnesota to accept full responsibility for Daniel Hawker s failed prophecy and prove that her beloved Teacher is not a fraud Chambers suspicious of his daughter s condition and none too pleased with the so called messiah insists on accompanying her Meanwhile author Adrian C Hummel has been battling creditors his agent and his editor for two years Living in motel squalor on the outskirts of Trapper s Point Minnesota he seeks an inside track to Daniel Hawker He is certain an exclusive interview is all he needs to launch him into notoriety granting him the fortune that has eluded him Mary Chambers might be his last chance to gain access to the mastermind of Hallelujah City the cult s headquarters These stories converge in a complex and tender tale of family dysfunction and redemption that explores what happens the day after the world was predicted to end **Pressed to Kill** Dolores Johnson, 2007-01-09 The young woman has a new but mysterious boyfriend she met at Dyer Cleaners open house party But when Ardith turns up dead a couple of days later Mandy suspects the worst
