Rene Daumal The Life And Work Of A Mystic Guide:

René Daumal Kathleen Ferrick Rosenblatt,1999-02-25 Based on twenty years of research and personal interviews Kathleen Rosenblatt s book is the first to comprehensively cover all aspects of the life and work of Ren Daumal seminal writer of the metaphysical avant garde As an individual Daumal was seen by those who knew him as a modern proto saint with a blazing intellect and wit as a writer he was the first to forge a mystical link between classical Hindu poetics and the revolutionary views of Gurdjieff synthesized in surrealist style Originally published in French this revised English edition shows why many feel that Daumal s literary group Le Grand Jeu was a brief but more authentic voice of the French avant garde circa 1930 than the more established Surrealist movement While still in his teens he placed himself at the crossroads of powerful converging influences Hinduism Surrealism Marxism Freudianism and parapsychology but the strongest influence was the fiery internal cauldron of his own lifelong spiritual struggle At sixteen Daumal began to teach himself Sanskrit and to decipher the essence of Hindu philosophy and poetics but it was the teaching of Gurdjieff that truly changed his life giving him an intimate knowledge of the inner workings of the human being and of the entire cosmos Rosenblatt traces all these influences and experiences as they reveal the depths of Daumal s being and as they surface in his poetry *Le Contre ciel* and in his two short novels *A Night of Serious Drinking* and *Mount Analogue* Today Daumal s personal vision of the Infinite and the story of his quest are more timely and essential than ever René Daumal Kathleen Ferrick Rosenblatt,1999-01-01 Demonstrates how Rene Daumal author of *Mount Analogue* a study of Hindu philosophy and poetics and the teaching of G I Gurdjieff combined with Daumal s early surrealist tendencies in determining the quality of his writing *Art as Adventure* Rosemary O'Neill,James P. Werner,2018-07-26 This volume represents a collection of six essays written by artists and art historians about journeys to places and methods of practice that challenge perceived taxonomies The artist as traveler has deep historical precedents as contemporary art production today and has historically followed political economic and cultural expansion The role of the artist as witness reporter geographer collector and educator exemplifies the significance of mobility geographic and cultural mediation in the productions of art and visual culture and the critical questions raised as a result The book encompasses a variety of perspectives on how artist travelers have embraced and contextualized the places people cultures and overall experiences encountered on their journeys Each chapter unveils different and unique approaches which artists have taken in reacting and creating as part of a journey in which they are often the outsiders to the culture and place Visual mappings conveying geo locative walking data recreations of indigenous ritual as installation participatory video installations uncovering community perspectives and a reflective diary about walking across lands affected by natural disaster are some of the ways these artists and historians examine the experiences the artists have encountered abroad Each piece is completely unique yet united in the act of journey and pursuit of alternative narrative born of the experience **The Facts on File Companion to the French Novel** Karen L.
