Santa's Birthday Gift Sherrill S. Bad Santas Paul Hawkins,2013 *Bad Santas* is not a book for children Here you will find the bloody the bawdy and the downright bizarre in a celebration of the most imaginative macabre and curious Christmas figures and customs from across Europe Drawing on that continent s legacy of disquieting folk tales told at wintertime Paul Hawkins gleefully dark exploration of seasonal folklore is the perfect book for reading around the fireside [Santa Claus Worldwide](#) Tom A.

Jerman,2020-05-01 This is a comprehensive history of the world s midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world s winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world [The True Story of Santa Claus](#) Janet Giovanelli,2020-10-13 He s a symbol of hope and hapiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He s become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much loved poem The Night Before Christmas to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa s elves his workshop Santa s beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband

make their home You ll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it s physically possible Santa Claus Letlhokwa George Mpedi,2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people s behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various

Santa Claus Gerry Bowler,2011-07-27 An entertaining often surprising look at the life of the world s most influential fictional character He is the embodiment of charity and generosity a creation of mythology a tool of clever capitalists The very idea of him is enduring and powerful Santa Claus was born in early nineteenth century America but his family tree goes back seven hundred years to Saint Nicholas patron saint of children Intervening generations were shaggy and strange whip wielding menaces to naughty boys and girls Yet as the raucous outdoor alcohol fuelled holiday
