Leistung und Rezeption sowie erzählerische Transformation und intertextuelle Verbindungen in dieser Zeit *Arts of Possession* D. Vance Smith, 2003-01-01 An innovative work of both economic anthropology and literary history *Arts of Possession* draws on philosophical theoretical literary historical and archival sources and insights to situate the household at the center of the social and cultural imagination of fourteenth century England D Vance Smith argues that in a period commonly represented as precapitalist there actually existed a sophisticated economic discourse and that discourse underlies common forms of representation and the writing of literary texts His work provides a new historiography of capital and of the development of the relation between economic sophistication and cultural practices Smith reads well known and less appreciated works such as *Winner and Waster* *Sir Launfal* *The Canterbury Tales* and *Piers Plowman* for what they can tell us about the surpluses and economies that drew the medieval imagination and about the complex ethics of possession at the heart of the fourteenth century household In bringing this to light Smith's book itself becomes an eloquent meditation on the poetics and ethics of possession **Performing Medieval Narrative** Evelyn Birge Vitz, Nancy Freeman Regalado, Marilyn Lawrence, 2005 A survey of an investigation into whether medieval narrative was designed for performance **A Manual of the Writings in Middle English, 1050-1500** Jonathan Burke Severs, Albert E. Hartung, Peter G. Beidler, Modern Language Association of America. Middle English Group, 1967 *A Companion to Medieval Poetry* Corinne Saunders, 2010-04-12 MEDIEVAL POETRY In a series of original essays from leading literary scholars this Companion offers a chronological sweep of medieval poetry from Old English to the great genres of romance narrative and alliterative poetry of the 15th century Beginning in the Anglo Saxon period the volume explores the Old English language and its alliterative tradition before moving on to examine the genres of heroic devotional wisdom and epic poetry culminating in a discussion of arguably the founding text of the English literary canon the great epic *Beowulf* In part two the Companion moves on to discuss the linguistic and social changes brought about as a result of the Norman Conquest exploring how this influenced the development of literary genres Essays probe the shifts and continuities in genres such as lyric chronicle and dream vision and the emergence of new genres such as popular and courtly romance and drama A particular focus is the continuation of the alliterative tradition from the Anglo Saxon period to the fifteenth century A series of chapters on major authors including Chaucer Gower and Langland provide fresh approaches to reading and studying key texts such as *The Canterbury Tales* *Piers Plowman* and *Sir Gawain and the Green Knight* Finally the collection examines cultural change at the close of the medieval period and the variety of literature produced in the long fifteenth century including writing by and for women Scots poetry clerical and courtly works and secular and sacred drama **The Manor, the Plowman, and the Shepherd** Ordelle G. Hill, 1993 By the early sixteenth century the agrarian landscape changed to more pastoral land more enclosures and a decrease in or a rearrangement of manorial lands Increased population and an abundance of labor created economic tensions that caused moralizers to cry out for reform but there is no evidence pastoral lands decreased even by the end of the century

In literature the plowman tradition continued to exist in such forms as the remarkable sermon by Bishop Latimer but more often than not it was viewed nostalgically as part of the past and used to address the problems brought about by the pastoral economy of the sixteenth century The plowman can be identified even as late as Spenser's *Faerie Queene* where he assumes the moral associations of the fourteenth century type and in Sidney where the plowman becomes the unsympathetic buffoon
