Dr Ben Robinson

Saxon Villages:

England's Villages Dr Ben Robinson, 2021-09-16 THE STUNNING NEW BOOK FROM THE HOST OF BBC 2 S VILLAGES BY THE SEA England's villages have survived developed and thrived over hundreds of years But what makes a village and how has that changed over time Take a charming and unexpected journey through the quirks of England's villages throughout the ages in the excellent company of Dr Ben Robinson expert archaeologist Join him in visiting villages from prehistoric to Roman to medieval times all the way through to today's modern urban villages Discover how landowners governments and communities have shaped villages why village greens village pubs and village halls exist and the real meaning behind names like Bunny Yelling Lover Great Snoring and Slaughter A compelling study of archaeology history and architecture England's Villages is a thoughtful enlightening and informative look at our oldest homes uncovering and revealing the extraordinary heritage of the places that surround us

Deserted Medieval Villages Maurice Beresford, John G. Hurst, 2025-01-01 Deserted Medieval Villages combines archaeological and historical expertise to produce a comprehensive and detailed analysis of the studies of deserted medieval villages Including an extensive historical and archaeological review of the surge in mid 20th century research J G Hurst's archaeological gazetteer of 290 sites and analysis of Scottish Welsh and Irish sites this book is an in depth reference work Updating Beresford's classic The Lost Medieval Villages of England this book refreshes his historical research considers the economic circumstances of desertion and includes detailed maps photographs and tables

English Villages P H Ditchfield, 2010 A popular and readable sketch of the history of our villages Dealing with characteristic features of English villages such as prehistoric remains and Roman relics churches monasteries the village inn village folklore and superstitions and many more Originally published in 1901

I am Saxon Karl Gagesch, 2025-05-13 I Am Saxon chronicles the history of the little known Transylvanian Saxons From their humble beginnings in the 12th century as immigrants to a remote and sparsely populated area in the southern basin of the Carpathian Mountains the Saxons became renowned for their fine trade guilds and seven beautiful fortified towns During the many invasions of central Europe during the medieval era the Transylvanian Saxons were called the wall and shield of Christendom But after eight hundred years the Saxons were forced to evacuate their homeland in Siebenbrunnen the land of the seven towns Karl Gagesch also tells the stories his family shared with him about his ancestral home of Draas and about life in a rural Saxon village In addition he explores the tenacity and cohesiveness Saxon communities required to form a distinct nation within an ethnically diverse region and maintain their cultural independence despite the many challenges they faced I Am Saxon pays homage to the legacy of the Transylvanian Saxon culture which has all but disappeared from Siebenbrunnen

Saxon Villages Robin Place, 1989

Interpreting the Landscape Michael Aston, 2002-09-11 Most places in Britain have had a local history written about them Up until this century these histories have addressed more parochial issues such as the life of the manor rather than explaining the features and changes in the landscape in a factual manner

Much of what is visible today in Britain's landscape is the result of a chain of social and natural processes and can be interpreted through fieldwork as well as from old maps and documents Michael Aston uses a wide range of source material to study the complex and dynamic history of the countryside illustrating his points with aerial photographs maps plans and charts He shows how to understand the surviving remains as well as offering his own explanations for how our landscape has evolved Our English Villages Peter Hampson Ditchfield,1889 *English Villages* Peter Hampson Ditchfield,1905

Anglo-Saxon England Lloyd and Jennifer Laing,2023-08-10 *Anglo Saxon England* 1979 takes the history and archaeology of Britain from the fifth century AD through to 1066 covering perhaps the most enigmatic period in British history when post Roman native British and Continental influences amalgamated in a manner often difficult to unravel Drawing upon archaeology history literature place names and the results of the latest scientific methods the authors show how the Anglo Saxons built up a flourishing civilization the foundation of English life and have bequeathed their legacy to the English speaking people of the New World Our English Towns and Villages H. R. Wilton Hall,2019-12-13 In *Our English Towns and Villages* H R Wilton Hall embarks on a rich exploration of the unique social historical and geographical characteristics that define the essence of English localities Through a meticulous blend of descriptive prose and vivid imagery Hall illustrates the interplay between architecture community and the landscape capturing the heartbeat of both quaint villages and bustling towns His literary style intertwines anecdotal narratives with historical analysis offering readers insights into local customs and transformations throughout the ages thus situating the work within the broader context of English cultural studies H R Wilton Hall a scholar with a profound affinity for English history draws inspiration from his extensive travels through the countryside and his academic background in cultural anthropology His exposure to various regional customs and folk traditions as well as his passion for preserving local heritage profoundly shaped the narrative voice and themes present in this work Hall's previous publications reflect a similar ethos exploring how cultural landscapes emerge from the confluence of human experiences and natural environments For readers keen on understanding the intricacies of England's rich regional diversity *Our English Towns and Villages* is an invaluable resource This book not only appeals to history enthusiasts but also to travelers and locals alike providing a profound appreciation for the nuances of English life Hall's accessible yet deeply informative style invites readers to embark on an imaginative journey through the heart of English locality *Anglo-Saxon England: Volume 20* Michael Lapidge,Malcolm Godden,Simon Keynes,1992-01-30 This volume illustrates some of the exciting paths of enquiry in Anglo Saxon studies *Vernacular Heritage and Earthen Architecture* Mariana Correia,Gilberto Carlos,Sandra Rocha,2013-10-04 In a continuously changing world there has been a growing interest in the protection of vernacular heritage and earthen architecture The need to protect and enhance this fragile heritage via intelligent responses to threats from nature and the environment has become evident Historically vernacular heritage research focussed on philosophical aspects **Medieval England** M. W. Beresford,J. K. S. Joseph,1979-11-15 This

book discusses in detail some aspects of life in medieval England still to be seen in the landscape The perspective of the air photograph conveys a fresh understanding of the physical setting of medieval society of the interaction between communities and the land upon which they settled and of the varying pattern of the social and economic fabric of the country **The English Village, the Origin and Decay of Its Community** Harold Peake,1922 **Tourism and Memories of Home** Sabine Marschall,2017-02-03 This book investigates home and homeland as destinations of touristic journeys and adds to recent scholarly interest in the intersection between tourism and migration It covers the temporary visits and journeys in search of home and homelands by migrants displaced people exiles and diasporic communities in a wide range of different geographical and historical contexts Personal and collective forms of memory are shown to play a key role in the motivation for and experience of such journeys The volume contributes to the investigation of the tourism memory nexus as it conceptualizes memory as underpinning touristic mobility experience and performativity Based on ethnographic case studies and other types of qualitative empirical research the chapters of this book foreground individual touristic experiences emotions memories perceptions the search for identity and a sense of belonging The book will be of interest to students and researchers in the fields of tourism heritage anthropology identity studies memory studies and migration diaspora studies

Environment, Society and Landscape in Early Medieval England Tom Williamson,2015 The origins of England s regional cultures are here shown to be strongly influenced by the natural environment and geographical features The Anglo Saxon period was crucial in the development of England s character its language and much of its landscape and culture were forged in the period between the fifth and the eleventh centuries Historians and archaeologists have long been fascinated by its regional variations by the way in which different parts of the country displayed marked differences in social structures settlement patterns and field systems In this controversial and wide ranging study the author argues that such differences were largely a consequence of environmental factors of the influence of climate soils and hydrology and of the patterns of contact and communication engendered by natural topography He also suggests that such environmental influences have been neglected over recent decades by generations of scholars who are embedded in an urban culture and largely divorced from the natural world and that an appreciation of the fundamental role of physical geography in shaping human affairs can throw much new light on a number of important debates about early medieval society The book will be essential reading for all those interested in the character of the Anglo Saxon and Scandinavian settlements in early medieval social and territorial organization and in the origins of the England s medieval landscapes Tom Williamson is Professor of LandscapeHistory University of East Anglia he has written widely on landscape archaeology agricultural history and the history of landscape design **The Wiley Blackwell Encyclopedia of Anglo-Saxon England** Michael Lapidge,John Blair,Simon Keynes,Donald Scragg,2013-10-02 Widely acknowledged as the essential reference work for this period this volume brings together more than 700 articles written by 150 top scholars that cover the people places activities and creations of the Anglo Saxons The

only reference work to cover the history archaeology arts architecture literatures and languages of England from the Roman withdrawal to the Norman Conquest c 450 1066 AD Includes over 700 alphabetical entries written by 150 top scholars covering the people places activities and creations of the Anglo Saxons Updated and expanded with 40 brand new entries and a new appendix detailing English Archbishops and Bishops c 450 1066 Accompanied by maps line drawings photos a table of English Rulers c 450 1066 and a headword index to facilitate searching An essential reference tool both for specialists in the field and for students looking for a thorough grounding in key topics of the period *The English Village Community* Frederic Seebohm,1890 7 Fundamentals of an Operationally Excellent Management System Chitram Lutchman,Douglas Evans,Waddah Shihab Ghanem Al Hashemi,Rohanie Maharaj,2014-12-16 Developing and maintaining a disciplined management system provides any organization with a blueprint for exceptional performance and success Indeed for larger multinational corporations a management system is a critical component for sustainable growth and performance management In this book the authors discuss a series of fundamentals for creating an operationally excellent management system OEMS The book also examines the business performance impact of an OEMS across leading gas and oil organizations such as Exxon Mobil BP Suncor and Chevron In 7 Fundamentals of an Operationally Excellent Management System the authors discuss each fundamental in detail and provide the supporting training and workshop materials that are essential for integrating these fundamentals into the business processes of the organization The seven fundamentals identified by the authors provide a sequential approach for developing and executing an OEMS across any organization Integrating sound organizational and business practices with personnel and process safety management principles the book is an invaluable resource for organizations seeking operational discipline and excellence Well supported with graphics and practical examples the book provides a simple pathway for an organization to evolve its management system into an OEMS designed to reduce workplace incidents and improve business performance on a sustainable basis The management system principles discussed in the book are intended for the business leader who is motivated to transition his or her organization from ordinary through best in class to an organization of world class stature and performance **Settlement and Land Use in Micheldever Hundred, Hampshire, 700-1100** Eric C. Klingelhöfer,1991
