Silent Film:

Silent Film Sound Rick Altman, 2004 Based on extensive original research and filled with gorgeous illustrations *Silent Film Sound* reconsiders all aspects of sound practices during the silent film period in America Beginning with sound accompaniment and continuing through to the more familiar sound practices of the 1920s renowned film historian Rick Altman discusses the variety of sound strategies cinema exhibitors used to differentiate their products During the nickelodeon period prior to 1910 this variety reached its zenith with carnival like music automatic pianos small orchestras lecturers synchronized sound systems and voices behind the screen In the 1910s musical accompaniment began to support a film s narrative and emotional content with large theaters and blockbuster productions driving the development of new instruments new music publication projects and a new style of film music A monumental achievement *Silent Film Sound* challenges common assumptions about this period and reveals the complex and swiftly changing nature of silent American cinema

Silent Film: A Very Short Introduction Donna Kornhaber, 2020-09-01 Encompassing the thirty five year span between the initial development of film technology in the mid 1890s and the adoption of synchronized sound in the late 1920s the cinema s silent era is both one of the most important epochs of film history and one of the most misunderstood within the popular imagination In this brief and readable account these formative decades come vividly to life Covering the full scope of the silent era from the invention of motion pictures to the rise of the Hollywood studios and touching on films and filmmakers from every corner of the globe *Silent Film A Very Short Introduction* offers a window into film s first years as a worldwide entertainment phenomenon From groundbreaking early shorts to the masterpieces of the cinema s classical era from street corner nickelodeons to grand movie palaces from slapstick to the avant garde the silent era s artistic abundance and global variety are here put on full display In the story of silent film we see not just the origins of a new culture industry but also a legacy of imagination and innovation that continues to profoundly influence the cinema even to this day ABOUT THE SERIES

The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Silent Film**

Donna Kornhaber, 2020 Introduction All film is silent film The three ages of silent film A global cinema Making films in the silent era Watching films in the silent era The secret afterlife of silent film *100 Silent Films* Bryony Dixon, 2019-07-25 *100 Silent Films* provides an authoritative and accessible history of silent cinema through one hundred of its most interesting and significant films As Bryony Dixon contends silent cinema is not a genre it is the first 35 years of film history a complex negotiation between art and commerce and a union of creativity and technology At its most grand on the big screen with a full orchestral accompaniment it is magnificent permitting a depth of emotional engagement rarely found in other fields of cinema Silent film was hugely popular in its day and its success enabled the development of large scale film production in the

United States and Europe It was the start of our fascination with the moving image as a disseminator of information and as mass entertainment with its consequent celebrity culture The digital revolution in the last few years and the restoration and reissue of archival treasures have contributed to a huge resurgence of interest in silent cinema Bryony Dixon's illuminating guide introduces a wide range of films of the silent period 1895-1930 including classics such as *The Birth of a Nation* 1915 *The General* 1926 *Metropolis* 1927 *Sunrise* 1927 and *Pandora's Box* 1928 alongside more unexpected choices and represents major genres and directors of the period Griffith Keaton Chaplin Murnau Sjström Dovzhenko and Eisenstein together with an introductory overview and useful filmographic and bibliographic information

Silent Film Richard Abel, 1996-01-01 *Silent Film* offers some of the best recent essays on silent cinema essays that cross disciplinary boundaries and break new ground in a variety of ways Some focus on the materiality of early cinema the color processes used in printing nitrate film stocks the choreographic styles of film acting and the wide range of sound accompaniment Others focus on questions of periodicity and nationality on the shift from a cinema of attractions to a classical narrative cinema on the relationship between changes in production and those in exhibition and on the historical specificity of national cinemas Still others focus on early cinema's intertextual relations with various forms of mass culture from magazine stories or sensational melodramas in the United States to the tango craze in Russia and on reception in silent cinema from black audiences in Chicago to women's fan magazines of the 1920s Taken together the contributors to this volume suggest provocative parallels between silent cinema at the turn of the last century and postmodern cinema at the end of our own This book is an important contribution to the study of silent film and a key addition to this new series
