

Macroeconomics

A Contemporary Introduction

9e

An illustration of a lighthouse with red and white horizontal stripes. Two workers in blue uniforms are on ladders, one on the left and one on the right, appearing to be working on the lighthouse. The scene is set against a dark blue sky with a yellow ground. A large, semi-transparent box with the text 'Test Bank' is overlaid on the center of the image.

Test Bank

William A. McEACHERN

Macroeconomics A Contemporary Introduction

**Paul Crompton, Michael Swann, Sandra
Hopkins, William A. McEachern**

Macroeconomics A Contemporary Introduction:

Macroeconomics: A Contemporary Introduction William A. McEachern, 2011-01-01 McEachern teaches by example. It is the text that uses examples and illustrations that students will recognize when they show up for class the first day because they already have at least 17 years of personal experience with economic choices, institutions, and events. Taking a just-in-time approach by introducing material just as it is needed to develop an argument, **MACROECONOMICS A CONTEMPORARY INTRODUCTION** Ninth Edition truly leads by example. In a decidedly user-friendly tone, McEachern assumes that students are already intuitively familiar with many economic concepts through their own life experiences. These life experiences are then explained to students as economic concepts with clear and interesting exposition, relevant case studies, and a clean, focused design. The text's major applications take the form of Case Studies that are meant to be read and therefore are integrated into the flow of each chapter. With this ninth edition, the book's well-crafted approach is enhanced with resources such as Aplia and CourseMate that will help your students improve their understanding and help you streamline tasks and save valuable time. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

Microeconomics McEachern, 2007 This very successful textbook is distinguished by a superior writing style that draws upon common student experiences to introduce economic concepts, making economic theory more accessible and interesting. Case Studies and numerous examples take advantage of students' intuitive knowledge of economics, building upon real-life situations. A streamlined design places pedagogy and illustrations directly within the flow of the text, making it less distracting and more useful for students. A fully integrated program of technology enhancements sets this text apart by pairing the book with numerous online multimedia learning tools that have been developed to help the text better serve a wide range of learning styles. The text uniquely integrates classroom use of *The Wall Street Journal* by including a complimentary student subscription offer, as well as in-text pedagogy to help students learn to analyze the latest economic events as reported in the Journal. Split volume available for the one-term principles of macroeconomics course as well as a principles volume. Macro/Micro for the two-term Principles of Economics course. **Aise Macroeconomics 8e**

William A. McEachern, 2008-01-01 This textbook draws upon common student experiences to introduce economic concepts. Case studies and numerous examples take advantage of students' intuitive knowledge of economics. *Macroeconomics* William A. McEachern, 2002-02 This very successful textbook is distinguished by a superior writing style that draws upon common student experiences to introduce economic concepts, making economic theory more accessible and interesting. Case Studies and numerous examples take advantage of students' intuitive knowledge of economics, building upon real-life situations. A streamlined design places pedagogy and illustrations directly within the flow of the text, making it less distracting and more useful for students. A fully integrated program of technology enhancements sets this text apart by pairing the book with numerous online multimedia learning tools that have been developed to help the text better serve a

wide range of learning styles The text uniquely integrates classroom use of The Wall Street Journal by including a complimentary student subscription offer as well as in text pedagogy to help students learn to analyze the latest economic events as reported in the Journal Split volume available for the one term principles of microeconomics course as well as a principles volume Macro Micro for the two term Principles of Economics course Macroeconomics McEachern,1996 Distinguished by a superior writing style that draws upon common student experiences to introduce economic concepts this text makes economic theory accessible interesting and understandable Case Studies and numerous examples take advantage of students intuitive knowledge of economics building upon real life situations A streamlined design places pedagogy and illustrations directly within the flow of the text making it less distracting and more useful for students A fully integrated Internet strategy sets this text apart by including relevant Web addresses and exercises directly in the text and on a dedicated Web page These Internet materials complement the real world focus of this text encouraging students to explore and apply extensions of the chapter material to real economic events and data **Macroeconomics** Paul Crompton,Michael J. Swann,2006 Incorporates current issues influencing Australian macroeconomic policy and provides students with a solid theoretical foundation in contemporary macroeconomics Australian authors Macroeconomics John E. Lunn,1997

Economics William A. McEachern,2000 This text is distinguished by a superior writing style that draws upon common experiences to introduce economic concepts making economic theory easily accessible interesting and understandable Case Studies and numerous examples take advantage of reader s intuitive knowledge of economics building upon real life situations A streamlined design places pedagogy and illustrations directly within the flow of the text making it less distracting and more useful for students A fully integrated Internet strategy sets this text apart by including relevant Web addresses and exercises directly in the text and on a dedicated Web page These Internet materials complement the real world focus of this text encouraging students to explore and apply extensions of the chapter material to real economic events and data Also available in macro and micro paperback splits **Macroeconomics + Mindtap Economics, 1-term Access** ,2016 *Microeconomics* William A. McEachern,2008-01 Easy to understand and filled with lively real world examples Microeconomic Principles A Contemporary Introduction 8e International Edition is your ideal introduction to the principles of economics McEachern approaches the course by using many economic concepts that you ve likely encountered in your own life experiences These life experiences are then explained as economic concepts through interesting case studies and a clean focused design The case studies are found throughout the text giving you genuine insight into how economic principles work in the real world McEachern s approachable style is enhanced by the powerful learning tools you ll find on Aplia a Web based educational program designed to improve your understanding and your grade **Macroeconomics: A Contemporary Introduction + Principles of Microeconomics** J.
