an overcrowded understaffed Massachusetts mental hospital Surrounded by inmates roaming the halls like drugged zombies and raving behind locked doors well meaning orderlies jaded nurses and patronizing doctors Francis finds friendship with a motley assortment of fellow patients a would be Napoleon a wise ex firefighter and a man obsessed with battling imagined devils But there s nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights out The police suspect an inmate while patients whisper about visions of a white shrouded angel But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory about the grim telltale signature left on the victim s body a string of unsolved sex killings and a very real devil who by chance or design has come to turn a madhouse into a slaughterhouse Now with the past creeping back to haunt his thoughts and nothing but a pencil and the bare walls of his bleak apartment Francis surrenders to the overwhelming need to tell the story of those nightmarish days But because the crime was never solved it s a story doomed to remain unfinished Until like Francis s long buried recollections the killer resurfaces with a vengeance A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero The Madman s Tale will keep even the most astute thriller reader uncertain unnerved and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show [ACTION MANIFESTO OF A MADMAN FOR GOOD](#) JAY SHERMAN,2013-07-15 What will emerge when we are all thankful for what we have instead of upset about what we don t is a society that works and does what s best for all its inhabitants Injustice racism evil and all bad energy will become so insignificant that we will laugh at what a distant memory it was We have the power We have always had the power We must open our eyes minds and our hearts and get to work Like the old saying that goes doing what we love is like being on vacation everyday when we start bringing humanity accountability and truth to ourselves so all of us achieve our dreams it will be like second nature We will wonder how we ever got along before *The Madman's Middle Way* Donald S. Lopez Jr.,2008-09-15 Gendun Chopel is considered the most important Tibetan intellectual of the twentieth century His life spanned the two defining moments in modern Tibetan history the entry into Lhasa by British troops in 1904 and by Chinese troops in 1951 Recognized as an incarnate lama while he was a child Gendun Chopel excelled in the traditional monastic curriculum and went on to become expert in fields as diverse as philosophy history linguistics geography and tantric Buddhism Near the end of his life before he was persecuted and imprisoned by the government of the young Dalai Lama he would dictate the Adornment for Nagarjuna s Thought a work on Madhyamaka or Middle Way philosophy It sparked controversy immediately upon its publication and continues to do so today The Madman s Middle Way presents the first English translation of this major Tibetan Buddhist work accompanied by an essay on Gendun Chopel s life liberally interspersed with passages from his writings Donald S Lopez Jr also provides a commentary that sheds light on the doctrinal context of the Adornment and summarizes its key arguments Ultimately Lopez examines the long standing debate over whether Gendun Chopel in fact is the author of the Adornment the heated critical response to the work by Tibetan monks of

the Dalai Lama's sect and what the Adornment tells us about Tibetan Buddhism's encounter with modernity. The result is an insightful glimpse into a provocative and enigmatic work that will be of great interest to anyone seriously interested in Buddhism or Asian religions.
