Time, Technology and Narrative Form in Contemporary US Television Drama JP Kelly, 2017-10-09 This book examines how television has been transformed over the past twenty years by the introduction of new viewing technologies including DVDs DVRs and streaming services such as Netflix Hulu and Amazon Prime It shows that these platforms have profoundly altered the ways we access and watch television enabling viewers to pause rewind record and archive the once irreversible flow of broadcast TV JP Kelly argues that changes in the technological landscape of television has encouraged the production of narrative forms that both explore and embody new industrial temporalities Focusing on US television but also considering the role of TV within a global marketplace the author identifies three distinct narrative temporalities acceleration 24 Prison Break complexity Lost FlashForward and retrospection Mad Men Through industrial textual analysis of television shows this cross disciplinary study locates these narrative temporalities in their socio cultural contexts and examines connections between production distribution and narrative form in the contemporary television industry

Printers' Ink; the ... Magazine of Advertising, Management and Sales, 1901 *Television and the Embodied Viewer* Marsha F. Cassidy, 2020-01-15 Television and the Embodied Viewer appraises the medium's capacity to evoke sensations and bodily feelings in the viewer Presenting a fresh approach to television studies the book examines the sensate force of onscreen bodies and illustrates how TV's multisensory appeal builds viewer empathy and animates meaning The book draws extensively upon interpretive viewpoints in the humanities to shed light on a range of provocative television works notably The Americans Mad Men Little Women LA and Six Feet Under with emphasis on the dramatization of gender disability sex childbearing and death Advocating a biocultural approach that takes into account the mind sciences Cassidy argues that interpretive meanings shaped within today's dynamic cultural matrix are amplified by somatic experience At a time when questions of embodiment and affect are crossing disciplines this book will appeal to scholars and students working in the fields of television film and media studies both in the humanities and cognitive traditions

Revisiting and Revising the Fifties in Contemporary US Popular Culture Eleonora Ravizza, 2020-05-25 In this book Eleonora Ravizza analyzes how contemporary American popular culture has represented and reproduced the fifties By investigating the cultural work of films and TV series from the last two decades the book uncovers the inherent limitations of a revisionist take on the fifties Ravizza argues that due to the visual nature of the fifties crystallized in American consciousness through the widespread influence of television most contemporary attempts to rework and rewrite the regressive gender queer and racial politics fall short of such a revisionist reevaluation
