Rebecca T Godwin s unforgettable novel narrated by the lively Minyon Manigault a young black woman from a coastal South Carolina Gullah community In 1929 due to mysterious family circumstances Minyon is given up by her grandmother to the employment of Ariadne Fleming a white madam in the famously elegant brothel called Hazelhedge At the age of fourteen she becomes a pair of eyes and hands watching and working almost invisibly in a world where men and women leave their inhibition and their pasts at the door As Minyon grows up in the household with other black people who provide behind the scenes support of Hazelhedge she cannot escape her haunting childhood memories Even while bearing witness to the events unfolding around her Minyon seeks to find her place in the world and her pace within herself      *Little Boy Wild* Derek

Kurtis,2006 Little Boy Wild was a small boy who did not have permission to be alive and this is his epic real life journey as an abused child in search for himself It is fearless hauntingly beautiful and sometimes disturbing Whenever he can he lives wild with the animals his only true friends while he seeks to avoid the Humans who may cause him to opt out and hide far within himself It is rare for a work of this magnitude to appear on the literary scene but in spite of all the hurt involved Little Boy Wild moves forward in his quest for self identity and love with hurtful self searching honesty Wild Boy s personas are deeply split and fragmented His adventures may well come across like the reading of a psychiatrist s highly confidential doctor patient journal of record all wrapped up in hilarious humour and rollicking fun His psyche switches between two major personalities plus the Preacher and the Move Director Frequently he sees Little Boy Wild outside of himself He is also psycho sexually warped and is unsure as to whether he is gay or not Eventually he blows his mind apart with LSD but in the final analysis out of all the hell of psychosis something very beautiful occurs Little Boy Wild and I struggled Phoenix like throughout our tragic childhood and turbulent teens to an adult life under the guise of normalcy We later discovered that we were gifted the pain of emotional and physical torture in order to become an entity of extraordinary resilience and strength
