The Story of Marguerite of Navarre ... Translated ... by Marvin McCord Lowes. With ... Illustrations, Etc](#) Paul RIVAL, Marvin McCord LOWES, 1930 *The Myth of the Reine Margot* Robert J. Sealy, 1994 The *Divorce Satyrique* is an anonymous biographical sketch of Marguerite de Valois. Although a proclaimed satire, the document was accepted as historical fact and it single-handedly spawned the myth of the Reine Margot. Despite her political and historical insignificance, this account immortalized Marguerite de Valois as an exceptionally frivolous and hedonistic woman. From manuscript sources, Robert J. Sealy S. J. proves that a critical incident in the *Divorce* is purely fictional. By distilling fiction from fact, the author lays the groundwork for future analysis of the text and of its historical impact. **Roman Law and the Idea of Europe** Kaius Tuori, Heta Björklund, 2018-12-27 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. It is funded by the European Research Council. Roman law is widely considered to be the foundation of European legal culture and an inherent source of unity within European law. *Roman Law and the Idea of Europe* explores the emergence of this idea of Roman law as an idealized shared heritage, tracing its origins among exiled German scholars in Britain during the Nazi regime. The book follows the spread and influence of these ideas in Europe after the war as part of the larger enthusiasm for European unity. It argues that the rise of the importance of Roman law was a reaction against the crisis of jurisprudence in the face of Nazi ideas of racial and ultranationalistic law, leading to the establishment of the idea of Europe founded on shared legal principles. With contributions from leading academics in the field as well as established younger scholars, this volume will be of immense interest to anyone studying intellectual history, legal history, political history, and Roman law in the context of Europe. **Women in Western European History: From antiquity to the French Revolution** Linda Frey, Marsha Frey, Joanne Schneider, 1982 **Catalog of Copyright Entries.
