## **Maddened By Mystery A Casebook Of Canadian Detective Fiction:**

Maddened by Mystery Michael Richardson, 1982      Margaret Atwood: Crime Fiction Writer Jackie Shead, 2016-05-13

Exploring how Margaret Atwood's fiction reimagines the figure of the detective and the nature of crime Jackie Shead shows how the author radically reworks the crime fiction genre Shead focuses on *Surfacing* *Bodily Harm* *Alias Grace* *The Blind Assassin* *Oryx and Crake* and selected short fiction showing the ways in which Atwood's protagonists are confronted by their own collusion in hegemonic assumptions and thus are motivated to investigate and expose crimes of gender class and colonialism Shead begins with a discussion of how Atwood's treatment of crime fiction's generic elements particularly those of the whodunit clue puzzle and spy thriller departs from convention Through discussion of Atwood's metafictional strategies Shead also examines Atwood's techniques for activating her readers as investigators who are offered an educative process parallel to that experienced by some of the author's protagonists This book also marks a significant intervention in an ongoing debate among Atwood critics that pits the author's postmodernism against her ethical and humanistic concerns

*Detecting Canada* Jeannette Sloniowski, Marilyn Rose, 2014-03-25 The first serious book length study of crime writing in Canada *Detecting Canada* contains thirteen essays on many of Canada's most popular crime writers including Peter Robinson Giles Blunt Gail Bowen Thomas King Michael Slade Margaret Atwood and Anthony Bidulka Genres examined range from the well loved police procedural and the amateur sleuth to those less well known such as anti detection and contemporary noir novels The book looks critically at the esteemed sixties television show *Wojeck* as well as the more recent series *Da Vinci's Inquest* *Da Vinci's City Hall* and *Intelligence* and the controversial *Durham County* a critically acclaimed but violent television series that ran successfully in both Canada and the United States The essays in *Detecting Canada* look at texts from a variety of perspectives including postcolonial studies gender and queer studies feminist studies Indigenous studies and critical race and class studies Crime fiction enjoyed by so many around the world speaks to all of us about justice citizenship and important social issues in an uncertain world      *Winona; or, The Foster-Sisters* Isabella Valancy

Crawford, 2006-10-16 The prize winning entry in a national competition for distinctively Canadian fiction *Winona* was serialized in a Montreal story paper in 1873 The novel focuses on the lives of two foster sisters raised in the northern Ontario wilderness Androsia Howard daughter of a retired military officer and Winona the daughter of a Huron chief As the story begins both have come under the sway of the mysterious and powerful Andrew Farmer who has proposed to Androsia while secretly pursuing Winona With the arrival of Archie Frazer the son of an old military friend there is a violent crisis and the scene shifts southward as Archie takes the foster sisters via Toronto to his family's estate in the Thousand Islands region of the St Lawrence River Farmer follows and the narrative moves towards a sensational climax The critical introduction and appendices to this edition place *Winona* in the contexts of Crawford's career the contemporary market for serialized fiction the sensation novel of the 1860s nineteenth century representations of women and North American indigenous peoples and

the emergence of Canadian literary nationalism in the era following Confederation      **Canadian Crime Fiction** David Skene Melvin,1996      Essays in Honour of Michael Bliss Elsbeth A. Heaman,Alison Li,Shelley McKellar,2008-03-22 A leading public intellectual Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006 Among his publications are a comprehensive history of the discovery of insulin and major biographies of Frederick Banting William Osler and Harvey Cushing The essays in this volume each written by former doctoral students of Bliss with a foreword by John Fraser and Elizabeth McCallum do honour to his influence and at the same time reflect upon the writing of history in Canada at the end of the twentieth century The opening essays discuss Bliss s career his impact on the study of history and his academic record Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship teaching and writing In the second section the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth nineteenth and twentieth century Canada Further sections investigate the relationship between fatherhood religion and historiography as well as topics in health and public policy A final section on Medical Science and Practice deals with subjects ranging from early endocrinology lobotomy the mechanical heart and medical biography as a genre Going beyond a collection of dedicatory essays this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century

**Bloody York** David Skene-Melvin,2013-12-19 Thirteen Canadian writers from the late nineteenth century to today find intrigue mystery and terror in the familiar streets and places of Toronto      **Canadian Book Review Annual** ,1982      The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to

national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future. The statistics behind this volume are staggering. The opening sixty pages list the 250 Consultants, the roughly 4 000 Contributors, all experts in the field they describe, and the scores of researchers, editors, typesetters, proofreaders, and others who contributed their skills to this massive project. The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words, making it the largest, some might say the greatest Canadian book ever published. There are, of course, many special features. These include a map of Canada, a special page comparing the key statistics of the 23 major Canadian cities, maps of our cities, a variety of tables and photographs, and finely detailed illustrations of our wildlife, not to mention the colourful informative endpapers. But above all, the book is encyclopedic, which the Canadian Oxford Dictionary describes as embracing all branches of learning. This means that, with rare exceptions, there is satisfaction for the reader who seeks information on any Canadian subject. From the first entry, *A mari usque ad mare* (from sea to sea), which is Canada's motto, and a good description of this volume's range, to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy, there is the required summary of information, clearly and accurately presented. For the browser, the constant variety of entries and the lure of regular cross references will provide hours of fascination. The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge. Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known. Yet now Canada's finest scientists, academics, and specialists have distilled their knowledge of our country between the covers of one volume. The result is a book for every Canadian who values learning and values Canada.

**What About Murder? (1981-1991)** Jon L. Breen, 1993-11. This supplement covers over 350 titles in the original categories plus more than 200 entries in a new category: mystery anthologies with reference value.

**Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02. Containing more than 48 000 titles, of which approximately 4 000 have a 2001 imprint, the author and title index is extensively cross referenced. It offers a complete directory of Canadian publishers, available listing the names and ISBN prefixes as well as the street, e-mail, and web addresses.

This bibliography endeavors to record every short story written in English by a Canadian author and first published during the period 1950-1983 and contains 20 000 citations to stories by more than 5 300 authors. Organized alphabetically by author's last name, it includes references to anthology and story collection appearances by these authors, thus providing a complete publishing history of each story cited. Hundreds of Canadian periodicals and dozens of anthologies were searched in addition; the bibliography cites appearances by Canadian stories in foreign books and periodicals.
