The Strange Tale of Egor, The Fleetwinged Filagreed Flyspecker, and His Virtual-Guided Tour through the Garden of Evil John Condon, 2021-08-12 This booklet describes the conflict between individual freedom good and collective force evil The author defines the Collective to be an assembly of elitists people at the top of their fields in politics academia media and the arts and sciences Two characteristics define these elitists greed and need greed for never enough wealth and need for never enough power Their prominence and prestige makes them feel entitled to rule They write the laws and want sameness obedience and conformity This flies in the face of the Bill of Rights which protects us from the government Elitists have nothing but contempt for the individual The group is everything That belief makes it easier to rationalize murder Likewise elitists dismiss the Ten Commandments the morality guide for millions

When the end justify the means is adopted by our leaders morality goes away Elitists reside in the Democrat Party and live on Hypocrisy Highway Democrats used to speak for the average citizen We have been betrayed Democrats now wrap their arms around Marxism and one world globalist government Being good Marxists they have become good liars and they lie like sidewalks How do we cope with this sickening realization A healthy sense of skepticism is required Let s borrow some advice from Peter Finley Dunn A century ago when asked who we can trust he said paraphrasing The answer to that question is simple Trust everyone But cut the cards
