Madness Of Love:

Love Ryan Patrick Hanley, 2024 Love has been a central concept of philosophical inquiry over the last several millennia Love A History chronicle the most significant moments in this concept's long and complex evolutionary life and collectively tell the story of the ways in which love's horizons shifted from the transcendent to the immanent over the course of its conceptual history The Madness of Love Katharine Davies, 2009-02-19 With a sophistication and mischievousness remarkable for a first time novelist Katharine Davies takes inspiration from Shakespeare's Twelfth Night and raises the curtain on the interconnecting lives and loves of an unforgettable cast of characters By turns comic and moving The Madness of Love is a deftly woven tale of mistaken identity bold moves and unrequited desires Valentina a clerk in a London bookstore is still reeling after her twin brother broke a childhood promise and ran off without her to exotic lands When she cuts her hair masquerades as a gardener to the melancholic Leo and moves to the remote seaside town of Illerwick she perplexes even herself Leo dreams of restoring his estate's gardens to their former glory as a romantically naïve gesture toward the woman he's loved all his life Melody an English teacher whose beauty bewitches many others Melody rejects any attempt at capture she is locked in a state of mourning over the suicide of her dear brother As Valentina struggles with the decades old neglect of flowers plants and weeds her affection for her eccentric employer grows even as she helps him plot his overture to Melody The gardens must be made ready for a grand late summer party But between now and then Illerwick will stir with old longings and new desires As people fall dangerously for those incapable of reciprocating we see enchantingly how our misguided pursuit of passion often distracts us from finding real love **Sex Positives?** Thomas Foster, Carol Siegel, Ellen E. Shakespeare's Sugared Sonnets Katharine M. Wilson, 2021-03-30 In the course of some research into the musical element in English poetry Dr Wilson read the work of the Elizabethan sonneteers chronologically and was struck by a suspicion that Shakespeare s sonnets were parodies Later she carried out a more thorough investigation and this book originally published in 1974 is the product her early impressions had been justified beyond all expectation Her investigation involved examining the background of each of Shakespeare s sonnets and this in itself is a contribution to scholarship A surprising number of them are shown to be direct parodies of particular sonnets all of them guy the sonnet convention and the more difficult ones are easily explained by this hypothesis Fresh correspondences between Shakespeare and his predecessors have come to light and his relationship with them is seen to be mocking This is demonstrated in his borrowings from Ovid also while the opening seventeen sonnets gain point as parody of Erasmus on marriage The book opens with a short note on the origin of the sonnet in song chivalric love and Plato The sonnet theme in Shakespeare s early comedies is treated freshly and the author throws light on the plays from a new angle In the final chapter among other themes the implication of dating is considered and here too some new material is discussed However Dr Wilson is aiming at a wider readership than that of scholars alone She has a view of Shakespeare as a young man catering for young man laughter as she puts it and she never loses sight of this aspect in her study Although the academic basis is there the presentation is not academic Her aim is clearly to share the joke with her readers

The Shakespeare Wars Ron Rosenbaum,2008-01-08 Ron Rosenbaum is one of the most original journalists and writers of our time David Remnick In *The Shakespeare Wars* Ron Rosenbaum gives readers an unforgettable way of rethinking the greatest works of the human

imagination As he did in his groundbreaking Explaining Hitler he shakes up much that we thought we understood about a vital subject and renews our sense of excitement and urgency He gives us a Shakespeare book like no other Rather than raking over worn out fragments of biography Rosenbaum focuses on cutting edge controversies about the true source of Shakespeare's enchantment and illumination the astonishing language itself How best to unlock the secrets of its spell With quicksilver wit and provocative insight Rosenbaum takes readers into the midst of fierce battles among the most brilliant Shakespearean scholars and directors over just how to delve deeper into the Shakespearean experience deeper into the mind of Shakespeare Was Shakespeare the one draft wonder of Shakespeare in Love Or was he rather as an embattled faction of textual scholars now argues a different kind of writer entirely a conscientious reviser of his greatest plays Must we then revise our way of reading staging and interpreting such works as Hamlet and King Lear Rosenbaum pursues key partisans in these debates from the high tables of Oxford to a Krispy Kreme doughnut shop in a strip mall in the Deep South He makes ostensibly arcane textual scholarship intensely seductive and sometimes even explicitly sexual At an academic Pleasure Seminar in Bermuda for instance he examines one scholar's quest to find an orgasm in Romeo and Juliet Rosenbaum shows us great directors as Shakespearean scholars in their own right We hear Peter Brook perhaps the most influential Shakespearean director of the past century disclose his quest for a secret play hidden within the Bard's comedies and dramas We listen to Sir Peter Hall founder of the Royal Shakespeare Company as he launches into an impassioned table pounding fury while discussing how the means of unleashing the full intensity of Shakespeare's language has been lost and how to restore it Rosenbaum's hilarious inside account of the Great Shakespeare Funeral Elegy Fiasco a man versus computer clash illustrates the iconic struggle to define what is and isn't Shakespearean And he demonstrates the way Shakespearean scholars such as Harold Bloom can become great Shakespearean characters in their own right The Shakespeare Wars offers a thrilling opportunity to engage with Shakespeare's work at its deepest levels Like Explaining Hitler this book is destined to revolutionize the way we think about one of the overwhelming obsessions of our time **Love Unfolded** Abdur

Rahim,2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness The book is for the general public of all sections of global society and culture The three key messages readers shall take away from this book They are a love is the essence b marriage is a bond and c sex is the ultimate supreme pleasure of life Explaining these themes attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources historical periods cultures and philosophical perspectives along with contemporary empirical work from psychology sociology anthropology and neuroscience The readers not only will

enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what social historical cultural political evolutionary or biological factors might influence them Nonetheless the substance of the book tells the inner most words of every men and women that are being preserved since their young age Finally the book will be of good values and understanding with readers own journey of love marriage and relationship These are the reasons why the readers will buy the book The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time

The Songs of Charles Dibdin, Chronologically Arranged, with Notes, Historical, Biographical, and Critical Charles Dibdin, 1842 [Aspects of Romantic Love](#) Dr. George Vareekal, 2022-03-28 Aspects of Romantic Love Perceptions on Love and Marriage is a modest attempt to express my perceptions of romantic love and related themes To love and to be loved are exciting aspects of a person s emotional life The pivotal theme of the book is love romance marriage and those alliances which hamper a harmonious conjugal and family life Romantic love is a fascinating passion and an ecstatic experience The very word romance captures our imagination and fills our hearts with exciting feelings The book is not a scientific treatise on love It only encapsulates romantic love with all its appealing themes My effort is to describe the splendid experience called love exclusively through my impressions The book is a product of the year 2020 marred by the Covid 19 pandemic and the terrible human exodus during the lockdown of 2020 The unexpected global and national scenario gave ample time and opportunity for reading writing and reflection Writing on a subject like romantic love helped overcome the lethargy and the feeling of devastation during the lockdown It has been an exciting creative activity and a marvellous sensation of diversion
