Madonna A B C Music For Beginners:

Madonna Mary Gabriel, 2023-10-10 New York Times Editors Choice One of NPR's Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person's right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna's story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time Hollywood Songsters: Garland to O'Connor James Robert Parish, Michael R. Pitts, 2003 For fans of musicals singing Hollywood history and the lives of stars no other work equals this new three volume reference to the on and off camera careers of more than 100 performers who made major contributions to the American screen musical From June Allyson to Mae West Hollywood Songsters provides a detailed narrative ranging from 2 000 to 5000 words each of the lives and careers of stars forever etched in our memories Each entry includes a filmography discography of both albums and CDs Broadway appearances radio work television appearances and series and a full page photo of the subject This is the ideal reference work for everyone one from the mildly curious to the devoted fan The Madonna Connection Ramona Liera Schwichtenberg, Deidre Pribram, Dave Tetzlaff, Ron Scott, 2019-07-09 Various cultural theories foremost among them postmodernism have figured in the debate over the politics of representation These theories have tended to look at representation in the context of either audience enablement or commercial constraint that is do the images empower the public or inhibit it One key area consistently overlooked has been the study of subcultural or subordinate groups who appropriate what is traditionally considered mainstream The Madonna Connection is the first book to address the complexities of race gender and sexuality in popular culture by using the influence of a cultural heroine to advance cultural theory Madonna's use of various media music concert tour film and video serves as a paradigm by which the authors study how images and symbols associated with subcultural groups multiracial gay and lesbian feminist are smuggled into the mainstream Using a range of critical and interpretive approaches to this evolving and lively cultural phenomenon the authors

demonstrate the importance of personalities like Madonna to issues of enablement and constraint Are others given voice by political interventions in mass popular culture Or is their voice co opted to provide mere titillation and maximum profit What might the interplay of these views suggest These are some of the questions the authors attempt to answer Some celebrate Madonna s affirmation of cultural diversity Others criticize her flagrant self marketing strategies And still others regard her as only a provisional challenge to the mainstream

Celebrity Culture Ellis Cashmore,2023-09-29 Haven t we all seen a Black Panther movie and listened to at least a few Harry Styles tunes Who hasn t seen a Taylor Swift video Or can t name an incident or two involving the Kardashians Popular fascination with the rich and famous is an inescapable part of contemporary consumer culture *Celebrity Culture* is a comprehensive yet accessible survey of the pervasive phenomenon This new edition of the textbook is fully revised and updated incorporating up to date examples case studies and additional features including a timeline and retrospections at the end of chapters Whilst recognizing that celebrities have existed for centuries Cashmore argues that celebrity culture in the 21st century is a novel and unique phenomenon driven by rampant consumerism advertising and the media He describes the evolution of a new kind of fame the growth of consumerism the rise of the paparazzi the fluctuating value of sex scandals the transmutation of blackness the metamorphosis of the British royal family the emergence of influencers the appeal of celebrity couples the increased visibility of queer culture the transformation of politics the reconstruction of talent and the attempts of theories to grasp celebrity culture s magnetism *Celebrity Culture* will appeal to a wide undergraduate audience throughout the social sciences and humanities
