The Madwoman's Underclothes Germaine Greer, 1994-01-10 Always strong and fearless Germaine Greer strikes right at the heart of the matter be it John F Kennedy and vaginal deodorants rape and artificial insemination cosmetic surgery the death of Jimi Hendrix or the famine in Ethiopia This collection represents a mosaic of essays long and short some of which are appearing for the first time in print and all of which chafe the conventional and are bristling with argument From the youthful liveliness of her sixties pieces which got up everybody's nose to the depth and complexity of her later work *The Madwoman's Underclothes* is a reflection both of an era and of the changing ideas and styles of Germaine Greer The essays on Brazil Cuba and Ethiopia represent my coming of age Something like a coherent system of values is beginning to emerge after my years of wandering although I have certainly not arrived at a set of articles of faith and never will I hope Greer's opinions on social political and sexual trends and mores are tendered in her unique fashion outspoken with rapier wit and no tolerance for narrow mindedness But as explosive angry and often funny as these essays are they also reveal tenderness and sadness and that emotion that underlies all of Greer's work passionate commitment *The Madwoman's Underclothes* Germaine Greer, 1986

The Madwoman's Underclothes Germaine Greer, 1990 A collection of essays on topics ranging from John F Kennedy to artificial insemination and cosmetic surgery to the famine in Ethiopia

[Germaine Greer](#) Maryanne Dever, Anthea Taylor, Lisa Adkins, 2020-04-28 Germaine Greer is one of the most enduring and influential figures of the second wave of the women's movement *The Female Eunuch* 1970 is one of second wave feminism's most widely recognised publications and its author has come to embody and indeed expand our understanding of second wave feminism in a way that few others have Yet while Greer's public visibility never seems to wane her writings and her politics have failed to attract the kind of sustained critical

engagement they warrant This volume represents the first collection of essays to examine Greer her politics her writing and her status as a feminist celebrity The essays in this collection cover The Female Eunuch 1970 Greer s public rivalry with Arianna Stassinopoulos her time in America her ideas and politics and her styling as feminist fashion icon Many essays include new insights drawn from previously unseen material in the recently launched Germaine Greer Archive at the University of Melbourne Australia This book was originally published as a Special Issue of Australian Feminist Studies

War the Women's International Congress at The Hague was convened after alarmed and bereaved women from both sides of the conflict insisted that their opinions on war and the pathway to peace be heard From this gathering emerged the Women's International League for Peace and Freedom WILPF which to this day campaigns against militarism and nuclear weapons In Australia the formation of a section of WILPF connected political women to a worldwide network that sustained their anti war activism throughout the last century In examining the rise of WILPF in Australia Sisters in Peace provides a gendered history of this country's engagement with the politics of internationalism This is a history of WILPF women who committed to peace activism even as Australia's national identity and military allegiances shifted over time a history that has until now been an overlooked part of the Australian peace movement

Excluded Julia Serano, 2013-10-01 While many feminist and queer movements are designed to challenge sexism they often simultaneously police gender and sexuality sometimes just as fiercely as the straight male centric mainstream does Among LGBTQ activists there is a long history of lesbians and gay men dismissing bisexuals transgender people and other gender and sexual minorities In each case exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate natural or righteous than others As a trans woman bisexual and femme activist Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer LGBTQ movements In Excluded she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality These false assumptions infect theories activism organizations and communities and worse they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender sexuality and sexism that foster inclusivity rather than exclusivity

Fringe to Famous Tony Moore,Mark Gibson,Chris McAuliffe,Maura Edmond,2024-01-25 Fringe to Famous examines exchange between small scenes of cultural production and mainstream institutions and markets Drawing on Australian examples in music streetwear comedy screen and digital games it argues that there has been much greater crossover between the two than is generally recognized The book resists a tendency to represent fringe and mainstream as abstract opposites bringing a focus instead to concrete historical formations It offers an alternative both to romantic celebrations of a pure fringe discredited now by half a century of critical responses to the counterculture and to an increasingly hardened anti romantic reaction Drawing on extensive original interviews Fringe to Famous offers an overview of transformations in

Australian culture since the 1980s concluding with suggestions for cultural policy after the creative industries It proposes an idea of generative hybridity between fringe and mainstream that allows us to imagine new possibilities for arts and culture in the 2020s and beyond
