## **Mafia Born:**

Vinnitta: The Birth of the Detroit Mafia Daniel Waugh, 2019-04-04 From the Author of Off Color The Violent History of Detroit's Notorious Purple Gang It was the winter of 1919 and it was the height of a gang war the Motor City hadn't seen before Detroit's Mafia family had split into two factions both vying to not only avenge ancient wrongs but also gain control of the city's lucrative illegal alcohol trade at the dawn of Prohibition In Vinnitta author Daniel Waugh offers an in-depth account of the formation of the Detroit Mafia and how they grew from a small band of Sicilian immigrants into one of the most powerful criminal sects He shares how the mafia infiltrated the Detroit business community and established themselves in illegal rackets ranging from extortion auto theft bootlegging burglary and construction racketeering The story is told through the eyes of not only the gangsters themselves but also those of an undertaker forced to prepare many of his friends for burial after their murders

**Understanding Recruitment to Organized Crime and Terrorism** David Weisburd, Ernesto U. Savona, Badi Hasisi, Francesco Calderoni, 2020-06-11 This volume provides insights on how recruitment patterns develop for two related types of criminal networks organized crime and terrorism It specifically explores the social situational psychological and economic drivers of recruitment Although organized crime networks and terrorism networks can differ in underlying goals and motivations this volume demonstrates common drivers in their recruitment which will provide insights for crime prevention and intervention The goal of the book is to explore the current knowledge about these common drivers as well as highlight emerging research to identify and prioritize a research agenda for scholars as well as policymakers The research presented in this work aims to fill existing gaps in the knowledge of recruitment to both organized crime and terrorism For each area it provides a systematic review of the existing research on social psychological and economic drivers of recruitment It then presents findings from independent original research aimed to explore new ground not covered in these previous studies The contributions to this volume were the result of a research project funded by a European Union Horizon 2020 grant and present a diverse international mix of expertise and cases It will be of interest to researchers in criminology and criminal justice as well as related fields such as sociology psychology and international relations Chapter 13 of this book is available open access under a CC BY 4.0 license

*Mafia Born* J. Vignari, M. Brady, 2001-06-01 A powerful romantic story of the lives of three dynamic people born into Sicilian families Gino was born in Little Italy Martina's family is murdered ordered by a Mafia Don while Angelo becomes a ruthless hitman called the Outsider

*Cosa Nostra: A History of the Sicilian Mafia* John Dickie, 2015-03-31 The Italian American mafia has its roots in a mysterious and powerful criminal network in Sicily While the mythology of the mafia has been widely celebrated in American culture the true origins of its rituals laws and methods have never actually been revealed John Dickie uses startling new research to expose the secrets of the Sicilian mafia providing a fascinating account that is more violent frightening and darkly comic than anything conceived in popular movies and novels How did the Sicilian mafia begin How did it achieve its powerful grip in Italy and America How

does it operate today From the mafia s origins in the 1860s to its current tense relationship with the Berlusconi government Cosa Nostra takes us to the inner sanctum where few have dared to go before This is an important work of history and a revelation for anyone who ever wondered what it means to be made in the mob **Godfather Marketing** Gianluigi Guido,2024-09-25

In a landscape marked by uncertainties stemming from global instability societal fragmentation and rapid technological advancements consumers will be seeking immediate satisfaction for their vital needs and desires To address this issue firms will be called upon to grant favors even before selling products offering solutions to consumers in exchange for their unwavering loyalty This compelling book presents a unique and provocative new vision of future markets where firms evolve into organizations reminiscent of mafia families stripped of criminal connotations establishing relationships with their customers based on satisfaction reciprocation recognition of merit and punishment of wrongdoing In a Credibility Economy where the quality of information supersedes its quantity especially with the development of AI this approach gives firms a competitive edge through the creation of a trusted network grounded in a code of honor Godfather Marketing offers an engaging accessible and fresh perspective on marketing where readers will discover unique insights on consumer behavior and market dynamics highlighting how they can benefit the broader community provided appropriate measures are taken to safeguard personal freedom **The Mafia's Good Wife** Aflyingwhale,2024-07-22 Book 7 of The Devil s Price Series

Nilsson, 2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy's natural beauty and cuisine are rightly

renowned Italy's history and politics are also a source of endless fascination. Modern Italy has consistently been a political laboratory for the rest of Europe. In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814-15. After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one. The A to Z of Modern Italy is an attempt to introduce the key personalities, events, social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow. This is done through a chronology, a list of acronyms and abbreviations, an introductory essay, a map, a bibliography and some 400 cross-referenced dictionary entries on prominent individuals, basic institutions, crucial events, history, politics, economics, society and culture.
