Magda Hermann Sudermann, Charles-Edward Amory Winslow, 2018-03-29 **Magda** Hermann Sudermann, 2015-07-18 Excerpt from *Magda A Play in Four Acts* Herr Hermann Sudermann has achieved surprising success in passing from novel writing to dramatic authorship He has a style of the utmost distinction and is well skilled in technique His masterpiece *Heimat* is absolutely original No play has ever produced a more impressive effect upon German audiences When it ceases to be performed it will still hold a permanent and important place in the libraries of dramatic literature Though a psychological study there is no concentration of attention upon morbid conditions All these have passed before the play begins There is no passion for mere passion's sake Its development proceeds from the energies of circumstances and character Herr Sudermann unlike some of the new dramatists is not lacking in humor and the snobbishness stuffy etiquette and scandal mongering of a provincial town are well illustrated by the minor characters Into this atmosphere comes the whirlwind from the outer world with fatal effect About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
