Woman Alone Gladys L. Jackson,2011-06-17 Woman Alone is a vision and dream of mine out of experiences of feeling alone within my marriage It tells of both my personal struggles in my marriage and my attempt to help women and men to understand their completion of each other through their spiritual growth from wisdom found in the Holy Bible There is a deep hurt and a deep longing in our hearts When we feel alone that hurt can only be fixed by God Himself There are Bible Scriptures to help us to be healed and feel His love There are scripture answers to all relationship questions I believe that reading and studying the bible will bring total family victory We can overcome the issues of life and come up to a greater family unit I believe that through the plan of God we can develop an unconditional love for each other and be happy and stay in the marriage for a life time Gladys L Jackson **The Turnaround Kid** Steve Miller,2009-10-13 For the past thirty years Steve Miller has done the messy unpleasant work of salvaging America s lost companies with such success that the Wall Street Journal has dubbed him U S Industry s Mr Fix It From his very first crisis assignment as point man for Lee Iaccoca s rescue team at Chrysler Miller built an international reputation while fixing major problems in such varied industries as steel construction and health care Most recently as chairman and CEO of the bankrupt automotive parts manufacturer Delphi Corporation he has confronted head on the major issues threatening the survival of Detroit s Big Three A battle is being fought in the heart of industrial America or what is left of it Miller observes In the auto industry as well as every manufacturing corporation management and labor are at loggerheads over wages and the skyrocketing costs of employee benefits The way out of this battle is often painful and Miller is deeply aware of the high price individual workers and many communities have had to pay as a result In this frank and unsparing memoir Miller reveals a rarely seen side of American management Miller recounts the inside story of the many turnaround jobs that have led to his renown as Mr Fix It But he also

paints an intimate picture of his relationship with Maggie Miller his wife of forty years with whom Miller shares the credit for his success Described by Miller as my mentor and tormentor Maggie served as his most trusted adviser and kept him focused on what truly matters until her death from brain cancer in 2006 A deeply moving personal story and timely snapshot of the state of American manufacturing and what it will take to restore it to profitability The Turnaround Kid is Steve Miller s fascinating look at his education as an American executive Land of Last Chances Joan Cohen,2025-07-30 Jeanne Bridgeton an unmarried executive in her late forties discovers life doesn t begin and end on a spreadsheet when her expected menopause instead becomes an unexpected pregnancy Though accomplished at managing risk professionally Jeanne realizes her skills don t extend to her personal life where she has allowed the professional and the personal to become intertwined She s not even sure which of two men in her life is the father Worse yet a previously undisclosed family secret reveals that she may carry a rare hereditary gene for early onset Alzheimer s and it s too late to get genetic tests This leaves Jeanne to cope with her intense fear of risk without the aid of the mountain of data she s accustomed to relying upon Wrestling with the question of whether her own needs or those of her child should prevail takes Jeanne on an intensely emotional journey one that ultimately leads to growth and enlightenment
