culture and fervently Buddhist society The author's early years wherein her enthusiasm for travel and curiosity of faraway cultures grew are excluded from these pages Rather we begin with David Neel's first trip to Tibet and her initial impressions of the country The friends she makes and the various officials and Buddhist priests of varying rank and station are recounted vividly As a Western woman David Neel did not always encounter friendliness or tranquility in those she met many were less than welcoming or even hostile to her presence As she was a pioneer in Tibet it is for these explorations that David Neel is most remembered The complex traditions of the Tibetan lamas and how its people existed upon the high plateau of the Himalayas fascinated many in Europe Allowed meetings with religious officials including the 13th Dalai Lama it was only after a decade of exploring the Tibetan culture that David Neel dared to go yet farther by travelling incognito to Lhasa the capital city forbidden to all foreigners A classic memoir known for inspiring the writers and poets of the Beat Generation **Magic and Mystery in Tibet** is both biography and a great tale of adventure

Adventures with the Buddha Jeffery Paine, 2005 Paine has assembled the adventures of nine Westerners in a book that yields an understanding of Buddhism not by its metaphysics or rituals but through real characters and true stories as dramatic as those in the most imaginative novel **The Sacred Life of Modernist Literature** Allan

Kilner-Johnson, 2022-06-16 Probing the relationship between modernist literary experimentation and several key strands of occult practice which emerged in Europe from roughly 1894 to 1944 this book sets the work of leading modernist writers alongside lesser known female writers and writers in languages other than English to more fully portray the aesthetic and philosophical connections between modernism and the occult Although the early decades of the twentieth century the era of cocktails motorcars bobbed hair and war are often described as a period of newness and innovation many writers of the time found inspiration and visionary brilliance by turning to the mysterious occult past This book's principle intervention is to reimagine the contours and boundaries of literary modernism by welcoming into the conversation a number of significant female writers and writers in languages other than English who are often still relegated to the fringes of modernist studies Well remembered poets and novelists such as Ezra Pound W B Yeats and Aleister Crowley were tied to occult beliefs and this book sets these leading figures alongside less well remembered but equally splendid modernists including Paul Brunton Mary Butts Alexandra David Neel Florence Farr Dion Fortune Hermann Hesse and Rudolf Steiner From the little magazines where occultism and Fabianism were comfortable companions to consulting rooms of psychoanalysts where archetypes were revealed to be both mystical and mundane to the forbidden mountain trails that led to formidable spiritual teachers the conditions of modernism were invariably those conditions which inspired a return to the occult traditions that many thinkers believed had long evaporated Indeed in many ways these traditions were the making of the modern world By uncovering hidden hopes and anxieties that faced a newly modern Western Europe this book demonstrates how literary modernists

understood occultism as a universal form of cultural expression which has inspired creative exuberance since the dawn of civilisation
