Moods, Cadenced & Declaimed Theodore Dreiser, 1928 **American First Editions** Merle De Vore Johnson, 1929
Book Dealers' Weekly, 1926 *American first editions; bibliographic check list of the works ...* Merle De Vore Johnson, 1929 Sale Catalogues American Art Association, Anderson Galleries (Firm), inc American art association Aderson galleries, 1927 **The Publishers Weekly**, 1928 *A Theodore Dreiser Encyclopedia* Keith Newlin, 2003-07-30 For a century Theodore Dreiser has represented for many readers a rebellious modernism whose novels both critiqued the American dream and embodied a bleakly deterministic perception of life His first novel *Sister Carrie* 1900 was reluctantly published and then ignored by its publisher who thought the book immoral Another publisher withdrew his fifth novel *The Genius* 1915 rather than face prosecution on obscenity charges Dreiser did not enjoy widespread popularity and critical acclaim until his masterpiece *An American Tragedy* appeared in 1925 This reference is an authoritative guide to his life and works Included are several hundred entries on each of Dreiser's books and short stories as well as magazine and newspaper pieces he collected during his life Noteworthy uncollected and posthumously collected works are given separate entries as are major characters in the novels family members friends and other persons important to understanding his writings There are also entries on Dreiser's publishers his major influences the places and events important to his life and the literary and social contexts of his works Expert contributors wrote each of the entries many of which cite works for further reading The volume closes with a selected bibliography of works by and about Dreiser **Dreiserana** Vrest Orton, 1929 *The Collection of First Editions of American Authors Formed by the Late Arthur Swann* Arthur Swann, 1955 **Scribner's Magazine** Edward Livermore Burlingame, Robert Bridges, Alfred Sheppard Dashiell, Harlan Logan, 1928 *Concise Dictionary of American Literature* Robert Richards, 1955-01-01 This dictionary was designed not simply for the scholar but for the general reader who needs more enlightenment about a specific American author or movement than a mere catalogue of facts can give him The scholar has read whole books about Walt Whitman and uses the dictionary merely to refresh his memory concerning a title or a date The general reader wants a concise account of how Whitman lived what he was like as a person what prompted him to write poetry why this poetry is now considered to be important and a history of Whitman appraisals On the other hand the average reader would prefer not be confused by meaningless facts obscure data or scholastic debate The scholar or the student the editor or the teacher will find in this dictionary almost any fact concerning American literature that he will ever need The general reader will find in addition to facts valuable apprehensions concerning our American literary heritage **The Independent**, 1928 **Theodore Dreiser** Miriam Gogol, 1995-10 Theodore Dreiser is indisputably one of America's most important twentieth century novelists *An American Tragedy* *Sister Carrie* and *Jennie Gerhardt* have all made an indelible mark on the American literary landscape And yet remarkably few critical books and no recent collections of critical essays have been published that attempt to answer current theoretical questions about Dreiser's

entire canon This collection is the first to appear in twenty four years The ten contributing essayists offer original interpretations of Dreiser s works from such disparate points of view as new historicism poststructuralism psychoanalysis feminism film studies and canon formation A vital reassessment Theodore Dreiser Beyond Naturalism brings this influential modern writer into the 1990s by viewing him through the lens of the latest literary theory and cultural criticism **Bulletin of the Extension Division, Indiana University** Indiana University. Extension Division,1929 *The Last Titan* Jerome Loving,2005-03 Dreiser was a controversial figure in his time not only because of his literary efforts which included publication of the brutal and heartbreaking *An American Tragedy* in 1925 but also because of his personal life which featured numerous sexual liaisons included membership in the communist party merited a 180 page FBI file and ended in Hollywood *The Last Titan* paints a full portrait of the mature Dreiser between the two world wars through the roaring twenties the stock market crash and the Depression and describes his contact with important figures from Emma Goldman and H L Mencken to two presidents Roosevelt Tracing Dreiser s literary roots to Hawthorne Emerson Thoreau and especially Whitman Loving adds a dimension to the writer s thought that has not been fully explored and reshapes our understanding of his tremendous contribution to American literature in what will surely become the standard biography of one of America s best novelists
