Spectatorship Roxanne Samer,William Whittington,2017-10-25 Media platforms continually evolve but the issues surrounding media representations of gender and sexuality have persisted across decades Spectator The University of Southern California Journal of Film and Television Criticism has published groundbreaking articles on gender and sexuality including some that have become canonical in film studies since the journal's founding in 1982 This anthology collects seventeen key articles that will enable readers to revisit foundational concerns about gender in media and discover models of analysis that can be applied to the changing media world today Spectatorship begins with articles that consider issues of spectatorship in film and television content and

audience reception noting how media studies has expanded as a field and demonstrating how theories of gender and sexuality have adapted to new media platforms Subsequent articles show how new theories emerged from that initial scholarship helping to develop the fields of fandom transmedia and queer theory The most recent work in this volume is particularly timely as the distinctions between media producers and media spectators grow more fluid and as the transformation of media structures and platforms prompts new understandings of gender sexuality and identification Connecting contemporary approaches to media with critical conversations of the past Spectatorship thus offers important points of historical and critical departure for discussion in both the classroom and the field

Domenici, Senator Pete V Domenici, Blythe J. Lyons, Julian J. Steyn, 2006 The senior Senator from New Mexico Pete V Domenici has written a thoughtful assessment of the progress Americans have made in their efforts to bring the benefits of nuclear power to mankind He outlines what went wrong and why and in this noble quest what we must now do to recover from and repudiate past blunders Senator Domenici has been called Congress chief apostle for nuclear power and in this book he shares his vision and passion for a renewed commitment by this nation and the rest of the world to the dreams that nuclear energy can help us fulfill It is also a book about what kind of world our grandchildren could inhabit if we fail in making and keeping such a commitment Visit our website for sample chapters *Always Faithful* Carl P. Marchi, 2007 The *Always Faithful* part of the title has arisen from the Marine Corps motto *Semper Fidelis* *Always Faithful* A Marine's Tale gives a realistic view of the anguish a young person endures in becoming a United States Marine as well as the trauma of war The story also helps the reader understand a certain Italian faction as well as the Italian American culture as it pertains to the

Goomba perspective It is not a story about the Marine Corps nor a story about the Mob It is simply about an eighteen year old young man of Italian descent from Trenton New Jersey whose life is touched by both For this teen there is more to life than the customary demands placed on people his age These demands put him on a rollercoaster ride destined to resolve uncertainty Peer pressure sets the main character Joseph Mommalone on a journey which tests his honor in the Marines loyalty to strong Italian family traditions and ability to bear confinement Joe Momma s year long venture before during and after the 1991 Gulf War shows the way to heroism imprisonment vengeance and love He goes from the typical teen back on the block to the traumatic experience of Marine boot camp to the theatre of war where his few days of combat lead to heroism and everlasting friendship with two Marines After the war he and his comrades are recuperating from their wounds back in New Jersey while Joe Momma is being groomed into his uncle s crime family Circumstances land Joe Momma in the county jail where he is threatened by the FBI to reveal information about his mob connections Rather than face three to five years in the Trenton State Penitentiary he plans and successfully completes a daring escape from jail with the help of the two former Marines and his mentor Carmine Scalia who is also a former Marine Before he blends into the criminal underworld he seeks revenge on the cop who put him behind bars In doing so he discovers a plot by a Tucci Crime Family crew boss to destroy him Although the story portrays an adolescent from Trenton New Jersey it is targeted toward a mature audience and will touch the hearts of men and women alike While the book is Marine hardcore as well as street savvy it is sensitive to family values and portrays heroic deeds The book is easy reading full of wit sorrow happiness conflict compassion romance crime and adventure including a twist which will capture one s interest from beginning to end
