Daniel Weberg, Sandra Davidson

New Health Partners Renewing The Leadership Of Physician Practice:

The New Health Partners Stephen E. Prather, 1999-06-25 Since managed care revolutionized the health care industry the physician's traditional leadership role has come under intense scrutiny. In this resource Dr. Prather, a renowned medical management consultant, offers physicians, executives, and directors the information they need to hone their leadership skills to thrive within the managed care environment. The New Health Partners is filled with effective techniques and practical advice.

Catholicism and Health-Care Justice Philip S. Keane, 2002 Of Catholic principles for health care justice. Managed care definition, history, and moral successes. Managed care problems and potential solutions. Ethics of mergers, joint ventures, and other reconfigurations. Public policy and contemporary health care. Some particular problems in health care justice. Toward some overall conclusions about health care justice today.

Physician Profiling Neil F. Piland, Kerstin B. Lynam, 1999-06-29 Many health care leaders believe that defining and measuring physician work efforts and linking those efforts to practical and measurable clinical outcomes. Physician profiling will not only improve patient satisfaction and increase the quality of care, it will revolutionize the health care industry. Physician Profiling brings together twenty-one of the nation's most prominent physician researchers and executive medical group administrators, giving health care leaders and physician practice administrators the tools they need to evaluate and implement a physician profiling system, unlocking this powerful technique for use in their own organizations. Reducing clinical variation among physicians is the name of the game in improving health care. This book provides an overview that you shouldn't miss of the state of the art in this rapidly developing field. Dean C. Coddington, principal, McManis Associates, and author, *Making Integrated Health Care Work*.

Health Care in the New Millennium Ian Morrison, 2000-01-24 From the bestselling author of *The Second Curve* and *Future Tense* comes an eye-opening look at the health care industry and its unparalleled opportunity to positively impact our communities as we embark upon a new millennium. This book will provide a concise and easily digested synthesis of current health policy and then systematically explain to professionals how to face the leadership challenges of today's health care industry.

Health Data Quest Jill Lenk Schilp, Roy E. Gilbreath, 2000-03-07 Gain a competitive edge with the power of data. Improve clinical performance and demonstrate value to health care purchasers and insurers by becoming a data detective within your organization. *Health Data Quest* is the practical guide to the most current and promising emerging measurement tools and provides guidance for effectively and efficiently finding, interpreting, presenting, and using data. This much-needed book is filled with the essential information, instructive models, and useful tools managers and executives need to create a program that can clearly demonstrate how a health care organization offers quality care in a cost-effective manner, including how to build a data warehouse. Filled with illustrative examples and case studies, this book provides a practical nuts and bolts approach for conducting a data inventory and selecting indicators of performance. Learning the fundamentals of the data warehouse. Reviewing the vital legal issues of health care data management. Gaining insight into the implementation of a key

performance improvement strategy Meeting the challenge of integrating enterprise wide health care information
Implementing a continuous quality improvement effort Integrating clinical financial and customer service data that will
provide a concise picture of an organization s performance Health Data Quest is an indispensable guide for health care
administrators and executives who rely on information systems and for any health care professional who must prepare or
defend managed care contracts The book provides a valuable resource for documenting the clinical performance of complex
health care institutions *L'architettura strategica delle aziende ospedaliere. Un'analisi empirica* Franco Fontana, Gianni
Lorenzoni, 2000 *Profiting from Quality* Steven F. Isenberg, Richard E. Gliklich, 1999-06-21 In this hands on guide two
prominent physicians provide a practical approach to performing meaningful outcomes assessment in even the busiest
clinical settings The well grounded research and rich practical examples demonstrate how to make outcomes research an
everyday part of medical practice and health care management **Health Forum Journal** ,2001 **Margin over Mission**
James Kelly, 2025-03-18 An ICU nurse reveals how private equity ownership leads to preventable deaths and negligence in
hospitals In a country where health care is increasingly driven by profit Margin over Mission exposes the dire consequences
of corporate ownership in hospitals James Kelly an ICU nurse with over two decades of experience narrates a gripping
account of his final year at Lovelace Women s Hospital in Albuquerque New Mexico a year marred by preventable deaths
administrative changes and the heartbreaking loss of a once mission driven institution to the clutches of Wall Street Kelly s
poignant narrative takes readers on an emotional journey through the corridors of a hospital that once stood for community
and care but became overshadowed by the relentless pursuit of profit Through detailed anecdotes and critical analysis Kelly
reveals the stark reality of a health care system compromised by private equity where decisions prioritize profit margins over
the mission of saving lives Kelly s unique perspective as an ICU nurse provides an insider s look into how private equity is
wreaking havoc in hospitals around the country His story is also a powerful tribute to the countless health care workers who
struggle to maintain their integrity and compassion in an increasingly inhumane system that prioritizes money over people
