Novel Writing In An Apocalyptic Time

Gary M. Ciuba

Novel Writing In An Apocalyptic Time:

Novel-writing in an Apocalyptic Time Walker Percy, Eudora Welty, 1982 Signposts in a Strange Land Walker Percy, 2011-03-29 Writings on the South Catholicism and more from the National Book Award winner His nonfiction is always entertaining and enlightening Library Journal Published just after Walker Percy's death Signposts in a Strange Land takes readers through the philosophical religious and literary ideas of one of the South's most profound and unique thinkers Each essay is laced with wit and insight into the human condition From race relations and the mysteries of existence to Catholicism and the joys of drinking bourbon this collection offers a window into the underpinnings of Percy's celebrated novels and brings to light the stirring thoughts and voice of a giant of twentieth century literature *The Late Novels of Eudora Welty* Jan Nordby Gretlund, Karl-Heinz Westarp, 1998 The Late Novels of Eudora Welty offers readings of two of the works considered to be Welty's most exciting both in innovative technique and postmodern existential statement Fourteen new essays by internationally distinguished critics of Southern literature provide focused appraisals of Welty's last two novels *Losing Battles* 1970 a provocative experiment in narration and Pulitzer Prize winning *The Optimist's Daughter* 1972 a profound comment on our time *The Novels of William Styron: From Harmony to History* Gavin Colonne-Brookes, 1995

Walker Percy Gary M. Ciuba, 2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how Percy's apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design one of the first studies to approach Percy's work from this perspective Ciuba considers Percy's six published novels *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* and also offers the first extended critical analysis of his unpublished work *The Gramercy Winner* Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers

One Writer's Imagination Suzanne Marrs, 2002-09-01 In *One Writer's Imagination* Suzanne Marrs draws upon nearly twenty years of conversations interviews and friendship with Eudora Welty to discuss the intersections between biography and art in the Pulitzer Prize winner's work Through an engaging chronological and comprehensive reading of the Welty canon Marrs describes the ways Welty's creative process transformed and transfigured fact to serve the purposes of fiction She points to the sparks that lit Welty's imagination an imagination that thrived on polarities in her personal life and in society at large Marrs offers new evidence of the role Welty's mother circle of friends and community played in her development as a writer and analyzes the manner in which her most heartfelt relationships including her romance with John

Robinson inform her work She charts the profound and often subtle ways Welty s fiction responded to the crucial historical episodes of her time notably the Great Depression World War II and the civil rights movement and the writer s personal reactions to war racism poverty and the political issues of her day In doing so Marrs proves Welty to be a much more political artist than has been conventionally thought Scrutinizing drafts of Welty s work Marrs reveals an evolving pattern of revision increasingly significant to the author s thematic concerns and precision of style Welty s achievement Marrs explains confirms theories of creativity even as it transcends them remaining in its origins somewhat mysterious Marrs s relationship to Eudora Welty as a friend scholar and archivist with access to private papers and restricted correspondence makes her a unique authority on Welty s forty year career The eclectic approach of her study speaks to the exhilarating power of imagination Welty so thoroughly enjoyed in the act of writing

The Life You Save May Be Your Own Paul Elie,2024-06-04 A Chicago Tribune Best Book of the Year A fascinating multiple biography of four of the most influential Catholic literary figures of the 20th century Booklist Winner PEN Martha Albrand Award for First Nonfiction Finalist National Book Critics Circle Award An Atlantic Monthly Book of the Year A San Francisco Chronicle Best Book of the Year A San Jose Mercury News Top Book of the Year Thomas Merton was a Trappist monk in Kentucky Dorothy Day the founder of the Catholic Worker movement in New York Flannery O Connor a Christ haunted literary prodigy in Georgia Walker Percy a doctor in New Orleans who quit medicine to write fiction and philosophy In the mid twentieth century these four American Catholics came to believe that the best way to explore the questions of religious faith was to write about them in works that readers of all kinds could admire A friend came up with a name for them the School of the Holy Ghost and for three decades they exchanged letters ardently read one another s books and grappled with what one of them called a predicament shared in common A pilgrimage is a journey taken in light of a story and in *The Life You Save May Be Your Own* Paul Elie tells these writers story as a pilgrimage from the God obsessed literary past of Dante and Dostoevsky out into the thrilling chaos of postwar American life It is a story of how the Catholic faith in their vision of things took on forms the faithful could not have anticipated And it is a story about the ways we look to great books and writers to help us make sense of our experience about the power of literature to change to save our lives Reminds us of what it means to live authentically in a world that seems determined to dull our senses and our intellect and our spirits with doublespeak nonsense meaningless distraction Alice McDermott *Commonweal* Lucid humane poignant and wise As a work of the spirit it is universal and in no way sectarian Harold Bloom An engrossing smartly conceived and perfectly realized work Tom Nolan *San Francisco Chronicle* An elegant intelligent blend of biography and literary criticism Ben Lytal *Atlanta Journal Constitution*

The Cambridge Companion to American Fiction After 1945 John N. Duvall,2012 A comprehensive 2011 guide to the genres historical contexts cultural diversity and major authors of American fiction since the Second World War

Sustaining New Orleans Barbara Eckstein,2005-10-27 First published in 2006 Routledge is an imprint of Taylor Francis an informa company

Remember Heaven: Meditations on the World to

Come for Life in the Meantime Matthew McCullough, 2025-04-25 How the Hope of Heaven Shapes Our Lives as Christians in the Meantime What we expect from our future has tremendous power over our experience in the meantime that's why the Bible places the hope of heaven at the center of the Christian life But even if we affirm the reality of our heavenly future we often struggle to long for heaven much less to connect the promises of the world to come to the concrete details of life in this world as it is If and when we think about heaven at all it's easy to think of it like an insurance policy that will be there when we need it But the Bible defines our future hope as an inheritance a trust fund that is certain inexhaustible and freely accessible here and now In this book Matthew McCullough offers a series of meditations that model how to draw on the hope of heaven for everyday life in the meantime Chapters connect specific struggles of life in this world from dissatisfaction and inadequacy to anxiety grief indwelling sin and more to specific promises of the world to come Drawing on insights from Christian writers of the past McCullough shows how the Bible uses the hope of heaven to help us now Offers Hope Helps readers deal with feelings of loneliness inadequacy grief and dissatisfaction to curate a healthy life perspective around God's promises Biblical and Practical Engaging meditations offer Christians applicable advice for living joyfully in light of the inheritance that awaits them in heaven From the Gospel Coalition This accessible book makes a great gift for students pastors and Christians of every age
