A New Look at the Last Things John E. Gore,2011-12-05 Matters pertaining to our Lord s second coming heaven hell and associated topics are often set aside by Christians sometimes for very understandable reasons Dogmatic predictions based on bizarre calculations from the Bible and equally zealous disciples aggressively promoting their view point as the only right interpretation of Scripture have caused many believers to lose interest in this wonderful aspect of biblical truth In A New Look at the Last Things the reader will find a careful overview of various topics relating to the Last Things Different interpretations are discussed and the merits of each is evaluated enabling the reader to come to a fuller understanding of what the apostles taught concerning these matters

Jesus and the Last Things Dennis J. Billy CSsR,2019-05-20 This book focuses on Jesus the four last things and their relevance for our lives He has much to teach us about these things Jesus faced death with courage and was raised to new life by the power of his heavenly Father He descended into hell and reached out to those who had alienated themselves from God He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom He lives forever in the house of his Father hoping to draw all people to himself and make all things new The book reminds us that for Jesus the four last things are just a prelude to the first things He is the Alpha and Omega the beginning and the end He teaches us to put last things first and first things last

A Stone in My Shoe

J. Michael Walters, 2021-06-15 What's more miserable than trying to walk with a stone in your shoe? Many American evangelicals are experiencing pain and discomfort in their relationship to the church. Stones in their shoes make the faith journey uncomfortable and increasingly untenable. They either leave the church altogether, become church shoppers, or live on the margins of the church as outliers. This book presents the vantage point of a lifelong evangelical pastor and religious educator who sees himself as an outlier. Walters draws on decades of pastoral life and classroom experience to engage the church in a conversation aimed at clarifying the concerns and discomforts of evangelical outliers. While this is one person's story, it intersects with the stories of many others in American evangelicalism, especially clergy. In identifying the stones which trouble and discomfort so many like him, Walters continually calls the church back to its biblical and theological foundations.

Know the Truth Bruce Milne, 2012-11-28 This thoroughly revised and updated edition of Bruce Milne's excellent handbook expounds the great themes of God's Word and how they fit together. Each chapter deals with one aspect of biblical truth, and the main sections conclude with practical reflection.

All the Doctrines of the Bible Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers. Dr. Lockyer's approach to understanding doctrines in logical sequence. This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith.

Introducing Moral Theology William C. Mattison, III, 2008-10-01 Whether in the cafeteria, classroom, or dorm lounge, questions abound on college campuses. Not only do students grapple with existential issues, but they also struggle with ethical ones such as "Why be moral?" In *Introducing Moral Theology*, William Mattison addresses this question as well as grapples with the impact that religious belief has on day-to-day living. Structured in two parts, this unique text on Catholic moral theology covers cardinal virtues (temperance, prudence, fortitude, and justice) as well as theological virtues (faith, hope, and love). It is equipped with study questions, terms, and their definitions, and illustrative case studies. Rooted in the Catholic tradition, this overview will also appeal to non-Catholics interested in virtue ethics.

This Is Our Faith Michael Pennock, 2018-08-03 *This Is Our Faith: A Catholic Catechism for Adults* is a bestselling overview of the faith for those preparing entry into the Church, as well as for both newly initiated and lifelong Catholics who wish to understand Church teachings more clearly. This revised and updated edition strengthens one of the strongest endorsements of the book: that it communicates important Church teachings in an engaging and understandable manner. Revised and updated in collaboration with longtime RCIA leaders, this new edition of *This Is Our Faith* has been refreshed with two new chapters with language and style more in line with the Catechism of the Catholic Church and with updated cultural and historical references. The text maintains the popular book's accessible tone and easy-to-follow organization, following the four pillars of the Catechism: the Profession of Faith, celebration of the sacraments, liturgy, and the Paschal Mystery. Life in Christ, foundations of Catholic morality, Christian prayer. Chapters in each of the four parts lead with a thought-provoking story that connects the reader to important teachings, which are then communicated through an easy-to-understand question and

answer format Discussion questions and suggestions for additional reading are included for RCIA and parish adult education groups wishing to explore Church teachings in a group environment This Is Our Faith provides a solid clear presentation of the Catholic faith for adults at any stage in their faith journey **Understanding Catholic Christianity** Thomas Zanzig, Barbara Allaire, 1997 Understanding Catholic Christianity offers a comprehensive overview of Catholicism for ninth graders to serve as a foundation for other high school religion courses and faith formation experiences they will have With pastoral sensitivity the course s examples stories quotes and reflection activities bring to life the basic of the Catholic faith for adolescent hearts and minds **Pentecostal Evangel** ,1996 **A Dictionary of the Bible: A-Feasts** James Hastings, 1901 *A Dictionary of the Bible Dealing with Its Language, Literature, and Contents, Including the Biblical Theology: A-Feasts* James Hastings, John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete, 1906 CSB Disciple's Study Bible, Hardcover Robby Gallaty, CSB Bibles by Holman, 2017-11-15 The CSB Disciple s Study Bible guides an individual s journey in following Jesus by featuring discipleship themed study notes as well as tools and resources that equip Christians to disciple others This CSB study Bible includes the Foundations 260 Reading Plan featuring 260 concise daily readings with commentary from Pastor Robby Gallaty and ample page space to engage the text and journal via the H E A R journaling method Highlight Explain Apply Respond With additional articles on discipleship from the team at Replicate Ministries The Disciple s Study Bible will help foster engagement and practical application of God s Word in the life of a disciple on a daily basis Features of this CSB Christian Bible include an Introduction to The CSB Disciple s Study Bible and Foundations 260 F260 reading plan by Pastor Robby Gallaty discipleship themed study notes F260 Reading plan with commentary and H E A R journaling space discipleship articles from the team at Replicate Ministries book introductions featuring timelines outlines and contribution to the Bible center column cross references topical subheadings two column text concordance Smyth sewn binding presentation Section and full color maps CSB Bibles by Holman feature the highly readable highly reliable text of the Christian Standard Bible R CSB The CSB stays as literal as possible to the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others *An Introduction to Christian Theology* Anthony Towey, 2018-02-22 There has long been a need for a comprehensive but truly introductory single authored textbook in theology By introducing the reader to the biblical doctrinal and contemporary dimensions of Christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader The work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind Christian thinking and also to familiarize the reader with significant contrary positions The solid foundations in biblical theology and hermeneutics given in the book will enable students to read Judeo Christian scripture intelligently Key testimonies regarding Jesus Christ are scrutinized and the nature of the New Testament discussed As well as the emergence of doctrinal orthodoxy and the later disagreements which

Eternal Hope Emil Brunner, 2023-07-27 Describing his objective in writing *Eternal Hope* Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Half a century later such a challenge might still be levied Against this backdrop Brunner offers a way forward that is conscious never to stray far from scripture yet nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous *Dogmatics* and partly in preparation for the second assembly of the World Council of Churches in 1954 *Eternal Hope* was also written just a year after the tragic death of Brunner's son It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications

Church in the Present Tense
(ēmerſion: Emergent Village resources for communities of faith) Scot McKnight, Peter Rollins, Kevin Corcoran, Jason Clark, 2011-02-01 Much has been written by practitioners advocating the emerging church phenomenon but confusion about the nature and beliefs of those who identify with the emerging church still exists Now that the movement has aged a bit the time has come for a more rigorous scholarly analysis Here four influential authors each an expert in his field discuss important cultural theological philosophical and biblical underpinnings and implications of the emerging church movement Their sympathetic yet critical assessment helps readers better understand the roots of the movement and the impact that it has had and is having on wider traditions The book includes a 60 minute companion DVD that provides a background introduction to the emerging church and video clips of alternative worship services The DVD also contains interviews with emerging church leaders and observers including Brian McLaren and Rowan Williams

The Christian Union Henry Ward Beecher, 1883
The Heart of Catholic Spirituality Thomas Lane (CM.), 2003 Theologian Fr Thomas Lane offers an overview of the Catholic Church with an eye to understanding its spiritual core as it undergoes continual change Fr Lane discusses the great questions fundamental to the Church God the Trinity faith salvation the question of free will and the nature of the universe Along the way he offers a brilliant exegesis of the language of the Church the language of worship and of sacrifice of priesthood holiness and consecration Here is a work that exemplifies the best of Catholic religious and intellectual rigor
