I've Seen a Lot of Famous People Naked, and They've Got Nothing on You! Jake Steinfield, 2006 Jake Steinfield has seen a lot of big name celebrities naked that is, stripped of the trappings of fame and fortune. He has learned what makes successful people tick and he has used that knowledge to turn a personal training business into a premiere fitness product brand, a 24 hour fitness television network, a professional sports league and instant recognition everywhere he goes. This book is *Business by Jake*.

The Strad, 1902 *Why Smart Girls Get Into Bad Relationships and How Not To Do It Again* Barbara Leigh, 2024-08-17 Have you ever asked yourself, "How did I get here and then were struck by the fact that if you don't know how you got here you will probably be here again?" Does that terrify you? You thought you were doing everything right. And yet you ended up in a place you didn't want to be. Where was the wrong turn? Was there a sign you missed? How did this happen? Those questions are like asking, "if you got the license plate of the truck that hit you. If you knew the truck was out of control you probably would have been better at avoiding being hit. Rather than worrying about the next truck, maybe it's time to explore how that truck got to the point of hitting you. Perhaps you chose to ignore the clues that a truck was careening down the street at you. Is it possible you trusted the truck driver and just assumed they were able to see you and actively avoid you? Could it be you thought you could outrun the truck? Maybe the problem lies in your beliefs about you and the truck. With wit and impactful common sense, Barbara Leigh raises your romantic situational awareness by looking at how beliefs about yourself and relationships can eventually lead to that hit by a truck feeling. Tapping into your own truth to rewrite those beliefs, Leigh guides you to a healthier and more aware place."
