Gender and Welfare in Mexico Nichole Sanders, 2011-03-01 The twentieth century Mexican Miracle which solidified the dominant position of the PRI has been well documented A part of the PRI's success story that has not hitherto been told is that of the creation of the welfare state its impact particularly on the roles of women and the consequent transformation of Mexican society A central focus of the PRI's welfare policy was to protect women and children An important by product of this effort was to provide new opportunities for women of the middle and upper classes to carve out a political role for themselves at a time when they did not yet enjoy suffrage and to participate as social workers administrators or volunteers In *Gender and Welfare in Mexico* Nichole Sanders uses archival sources from the Ministry of Health and Welfare and contemporary periodical literature to explain how the creation of the Mexican welfare state was gendered and how the process reflected both international and Mexican discourses on gender the family and economic development

Feminist Perspectives on Sor Juana Inés de la Cruz Stephanie Merrim, 1999 Called the Quintessence of the Baroque and Bridge to the Enlightenment Mexican writer and nun Sor Juana Inés de la Cruz has also been celebrated as the First Feminist of the New World Feminist Perspectives on Sor Juana Inés de la Cruz fills a gap Called the Quintessence of the Baroque and Bridge to the Enlightenment Mexican writer and nun Sor Juana Inés de la Cruz has also been celebrated as the First Feminist of the New World Feminist Perspectives on Sor Juana Inés de la Cruz fills a gap in the scholarship on Sor Juana by exploring the implications of her feminist status in literary and cultural terms Editor Stephanie Merrim's introduction surveys key issues in Sor Juana criticism from a feminist literary perspective and suggests a blueprint for future studies Essays by Dorothy Schons

and Asunci n Lavrin reconstitute essential dimensions of Sor Juana's world addressing biographical questions about the norms and values of religious life Moving from social norms to their verbal expression Josefina Ludmer reads Sor Juana's *Respuesta* for its stratagems of resistance and Stehanie Merrim uncovers in Sor Juana's theater the encoded drama of the conflicted creative woman

[The Art of Professing in Bourbon Mexico](#) James M. Córdova, 2014-01-01 In the eighteenth century New Spaniards colonial Mexicans so lauded their nuns that they developed a local tradition of visually opulent portraits called monjas coronadas or crowned nuns that picture their subjects in regal trappings at the moment of their religious profession and in death This study identifies these portraits as markers of a vibrant and changing society that fused together indigenous and Euro Christian traditions and ritual practices to construct a new and complex religious identity that was unique to New Spain To discover why crowned nun portraits and especially the profession portrait were in such demand in New Spain this book offers a pioneering interpretation of these works as significant visual contributions to a local counter colonial discourse James M C rdova demonstrates that the portraits were a response to the Spanish crown's project to modify and modernize colonial society a series of reforms instituted by the Bourbon monarchs that threatened many nuns' religious identities in New Spain His analysis of the portraits rhetorical devices which visually combined Euro Christian and Mesoamerican notions of the sacred shows how they promoted local religious and cultural values as well as client patron relations all of which were under scrutiny by the colonial Church Combining visual evidence from images of the crowned nun with a discussion of the nuns' actual roles in society C rdova reveals that nuns found their greatest agency as Christ's brides a title through which they could and did challenge the Church's authority when they found it intolerable

Childhood and Modernity in Cold War Mexico City Eileen Ford, 2018-02-22 *Childhood and Modernity in Cold War Mexico City* traces the transformations that occurred between 1934 and 1968 in Mexico through the lens of childhood Countering the dominance of Western European and North American views of childhood Eileen Ford puts the experiences of children in Latin America into their historical political and cultural contexts Drawing on diverse primary sources ranging from oral histories to photojournalism Ford reconstructs the emergent and varying meanings of childhood in Mexico City during a period of changing global attitudes towards childhood and changing power relations in Mexico at multiple scales from the family to the state She analyses children s presence on the silver screen in radio and in print media to examine the way that children were constructed within public discourse identifying the forces that would converge in the 1968 student movement This book demonstrates children s importance within Mexican society as Mexico transitioned from a socialist inspired revolutionary government to one that embraced industrial capitalism in the Cold War era It is a fascinating study of an extremely important burgeoning population group in Mexico that has previously been excluded from histories of Mexico s bid for modernity *Childhood and Modernity in Cold War Mexico City* will be essential reading for students and scholars of Latin American history and the Cold War

Men at Work Cecile Jackson, 2013-10-23 Gender analysis of development focuses on gender relations rather than women and men as separate gender categories but it has necessarily been women orientated in its concerns with subordination This work moves gender analysis towards a fuller understanding of men s diverse gendered identities and how these are implicated in their everyday working lives in developing country contexts The questions addressed in the papers range from conceptual and methodological issues of definitions and measurement of men s work to case studies of working men in specific settings but all are concerned with the recognition of gendered vulnerabilities of some men as men as well as with a re thinking of gender relations in the light of consideration of the subjectivities of specific groups of men

Beyond Eurocentrism Peter Gran, 2021-02-01 Eurocentrism

influences virtually all established historical writing With the rise of Prussia and by extension Europe eurocentrism became the dominant paradigm for world history Employing the approaches of Gramsci and Foucault Peter Gran proposes a reconceptualization of world history He challenges the traditional convention of relying on totalitarian or democratic functions of a particular state to explain and understand relationships of authority and resistance in a number of national contexts Gran maintains that there is no single developmental model but diverse forms of hegemony that emerged out of the political crisis following the penetration of capitalism into each nation In making comparisons between seemingly disparate and distinctive nations and by questioning established canons of comparative inquiry Gran encourages people to recognize the similarities between the West and non West nations

Women's Literacy in Early Modern Spain and the New

World Rosilie Hernández, 2016-02-17 Containing essays from leading and recent scholars in Peninsular and colonial studies this volume offers entirely new research on women's acquisition and practice of literacy on conventual literacy and on the cultural representations of women's literacy Together the essays reveal the surprisingly broad range of pedagogical methods and learning experiences undergone by early modern women in Spain and the New World Focusing on the pedagogical experiences in Spain New Spain present day Mexico and New Granada Colombia of such well known writers as Saint Teresa of vila Sor Juana In s de la Cruz and Mar a de Zayas as well as of lesser known noble women and writers and of nuns in the Spanish peninsula and the New World the essays contribute significantly to the study of gendered literacy by investigating the ways in which women religious and secular aristocratic and plebeian became familiarized with the written word not only by means of the education received but through visual art drama and literary culture Contributors to this collection explore the abundant writings by early modern women to disclose the extent of their participation in the culture of Spain and the New World They investigate how women playwrights poets novelists and nuns applied their education both to promote literature and to challenge the male dominated hierarchy of church and state Moreover they shed light on how women whose writings were not considered literary also took part in the gendering of Hispanic culture through letters and autobiographies among other means and on how that same culture depicted women's education in the visual arts and the literature of the period

A History of Infamy Pablo Piccato, 2017-04-25 A History of Infamy explores the broken nexus between crime justice and truth in mid twentieth century Mexico Faced with the violence and impunity that defined politics policing and the judicial system in post revolutionary times Mexicans sought truth and justice outside state institutions During this period criminal news and crime fiction flourished Civil society's search for truth and justice led paradoxically to the normalization of extrajudicial violence and neglect of the rights of victims As Pablo Piccato demonstrates ordinary people in Mexico have made crime and punishment central concerns of the public sphere during the last century and in doing so have shaped crime and violence in our times

Globalization and America Angela J. Hattery, David G. Embrick, Earl Smith, 2008-05-21 As globalization expands more than goods and information are traded between the countries of the world Hattery Embrick and

Smith present a collection of essays that explore the ways in which issues of human rights and social inequality are shared globally The editors focus on the United States role in contributing to human rights violations both inside and outside its borders Essays on contemporary issues such as immigration colonialism and reparations are used to illustrate how the U S and the rest of the world are inextricably linked in their relationships to human rights violations and social inequality

Preaching Power Charles A. Witschorik,2013-10-21 This book uses a gender perspective to examine sermons and other officially endorsed discourses of the Catholic Church in eighteenth and nineteenth century Mexico City Analyzing the different ways that over time gendered images metaphors and hagiographical examples were used in sermons and other documents the book examines how the church negotiated challenges to its cultural and ideological hegemony Beginning with sermons from the early eighteenth century the author follows the evolution of church discourses as preachers reveled in Baroque analogies embraced ideals of the Enlightenment targeted women s alleged moral vices at times of political crisis and ultimately turned to notions of women as the devout sex in order to combat incipient liberalism Put another way liberals after independence were not the only ones to assert a kind of republican motherhood preachers countered with a vision of Catholic motherhood that had great resonance in Mexico even into the twentieth century
