The Michigan Alumnus, 1986 In v 1 8 the final number consists of the Commencement annual Contemporary Southern Men Fiction Writers Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994 Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject George Garrett Casey Clabough, 2013-10-01 Considering George Garrett's life and work in the continuum of American literary history it is perhaps most profitable to place him in the tradition of the now exceedingly rare Southern man of letters he or she who embraces and produces literature in all its complexity and in multiple forms novels short stories poems plays criticism translation editing and so on This kind of Southern writer stretching back to Edgar Allan Poe perhaps finds its best modern examples in the Nashville based writers of the 1920s and 1930s Chronologically Garrett born in 1929 probably was the most variously gifted Southern writer to arrive on the scene following Robert Penn Warren Indeed it is in such company that his life and work belong
