Contemporary Poland ,1984 **Letters From Prison and Other Essays** Adam Michnik,1986-08-06 Among the voices that speak to us from Poland today the most important may be that of Adam Michnik Michnik now sits in a jail belonging to the totalitarian regime yet his first concern and herein lies one of the keys to his thinking and one should add to his character is with the quality of his own conduct which together with the conduct of other victims of the present situation will he is sure one day set the tone for whatever political system follows the totalitarian debacle His essays are the most valuable guide we have to the origins of the revolution and more particularly to its innovative practices Poland ,1979 Ryszard Kapuściński Beata Nowacka,Zygmunt Ziątek,2023-01-13 An award winning writer and a candidate for the Nobel Prize for Literature Ryszard Kapuściński 1932 2007 was a celebrated Polish journalist and author Praised for the lengths to which he would go to get a story Kapuściński gained an extraordinary knowledge of the major global events of the second half of the twentieth century and shared it with his diverse audience The first posthumous monograph on the writer's life and work Ryszard Kapuściński confronts the mixed reception of Kapuściński's tendency to merge the conventions of reportage with the artistry of literature Beata Nowacka and Zygmunt Ziątek discuss the writer's accounts of the decolonization of Africa and his work in Asia and South America between 1956 and 1981 a period during which Kapuściński reported on twenty seven revolutions and coups They argue that the journalistic tradition is not in conflict with Kapuściński's meditations on the deep meanings of these events and that his first person involvement in his text was not an indulgence detracting from his journalistic adventures but a well thought out conception of eyewitness testimony developing the moral and philosophical message of the stories Exploring the whole of Kapuściński's achievements Nowacka and Ziątek identify a constant tension between a strictly journalistic position and what in Poland is called literary reportage located on the border between journalism and artistic prose Kapuściński's desire and dedication to make more of journalistic writing is the driving force behind the excellence and readability that have made his legendary books so controversial and so widely celebrated The Two German States and European Security F. Stephen Larrabee,1989-05-01 This collection of essays examines the relationship between West Germany and the German Democratic Republic in terms of economics and politics The problems caused by the division of Germany in relation to European and international defence policies are also discussed
