Politica Hermetica No 16 2002:

The Radical Right in Switzerland Damir Skenderovic, 2009-09-01 There has been a tendency amongst scholars to view Switzerland as a unique case and comparative scholarship on the radical right has therefore shown little interest in the country Yet as the author convincingly argues there is little justification for maintaining the notion of Swiss exceptionalism and excluding the Swiss radical right from cross national research His book presents the first comprehensive study of the development of the radical right in Switzerland since the end of the Second World War and therefore fills a significant gap in our knowledge It examines the role that parties and political entrepreneurs of the populist right intellectuals and publications of the New Right as well as propagandists and militant groups of the extreme right assume in Swiss politics and society The author shows that post war Switzerland has had an electorally and discursively important radical right since the 1960s that has exhibited continuity and persistence in its organizations and activities Recently this has resulted in the consolidation of a diverse Swiss radical right that is now established at various levels within the political and public arena **N° 2 Cahiers de l'Unité** 2016 Avril-mai-juin,

Dictionnaire des orientalistes de langue française POUILLON François, 2008-11-01 Du Maroc la Chine l'Orient n'a cessé de fasciner un Occident partagé son regard entre la convoitise et la peur l'enchantement et la repulsion le désir de connaître et la volonté de conquête Le terme d'orientaliste est d'abord attaché une discipline savante qui s'est inscrite dans des cadres institutionnels solides Il y eut aussi des cohortes de voyageurs qui ont parcouru l'Orient sous toutes ses latitudes et en ont rapporté quelque chose Artistes et savants hommes célèbres et modestes médiateurs minents professeurs et aventuriers ambitieux auteurs de chefs d'œuvre reconnus ou de travaux obscurs ils sont un millier regroupés dans ce dictionnaire par les soins d'une équipe pluridisciplinaire de spécialistes Ce dictionnaire entend montrer que la population des agents et porteurs de ces savoirs est infiniment variée et qu'elle échappe aux simplifications réductrices Elle nous offre un chantillon d'humanité qui avec ses grandeurs et ses travers doit faire finalement la trame d'un certain humanisme Les auteurs ont mis en place un site sur lequel vous pouvez suivre l'actualité de leurs recherches <http://dictionnaire-des-orientalistes.ehess.fr>

René Guénon, lectures et enjeux, 2002 **Images et représentations du centre**, 2008 Esotérisme et action politique Association Politica hermetica, 2023-11-16 Politica Hermetica se devait de consacrer un numéro de la présente revue un examen historique des exigences conjointes de la militance politique et de l'engagement sotérique Par cette dernière formule on entend l'implication non seulement idéologique mais concrète d'un choix de personnalités remarquables appartenant des époques et des milieux très divers dans des activités marquées par un intérêt soutenu pour ce qu'on est convenu d'appeler l'esotérisme et les formes de spiritualité qui en relèvent L'association de ce type d'intérêts au demeurant très variés aux modalités multiples de l'action politique offre évidemment les combinaisons les plus singulières et souvent aussi les plus inattendues Au rebours de certaines polémiques rebattues plusieurs tudes d montrent en particulier l'absence d'affinités systématiques entre pensée réactionnaire ou conservatrice et perspectives sotériques De Swedenborg R Renoux Messerschmitt de F

Secularist, Religious and Scientific Socialism Stefan Arvidsson, 2025-05-30 This book explores the various ways in which socialists have understood the relationship between their political beliefs and different religious and philosophical traditions Considering the rise of secularism and the view that politics and life stances are two very different spheres it moves to examine the thought of those who believed that faith and politics are as separate as night and day those who on the contrary believed that socialism rests firmly on a religious foundation and those who have argued that socialism's foundations are solidly scientific and therefore atheist An examination of a range of perspectives on socialism as a political ideology a deep conviction and even a form of faith *Secularist Religious and Scientific Socialism* explores the aesthetic ethical and existential ideals that have ignited the hearts of socialists describing in detail how these ideals have been expressed in political activism cultural forms and ways of living It will therefore appeal to scholars of intellectual history political theory political philosophy and cultural history with interests in socialism and religion Eurasianism and the European Far Right Marlene

Laruelle, 2015-07-01 The 2014 Ukrainian crisis has highlighted the pro Russia stances of some European countries such as Hungary and Greece and of some European parties mostly on the far right of the political spectrum They see themselves as victims of the EU technocracy and liberal moral values and look for new allies to denounce the current mainstream and its austerity measures These groups found new and unexpected allies in Russia As seen from the Kremlin those who denounce Brussels and its submission to U S interests are potential allies of a newly re assertive Russia that sees itself as the torchbearer of conservative values Predating the Kremlin's networks the European connections of Alexander Dugin the fascist geopolitician and proponent of neo Eurasianism paved the way for a new pan European illiberal ideology based on an updated reinterpretation of fascism Although Dugin and the European far right belong to the same ideological world and can be seen as two sides of the same coin the alliance between Putin's regime and the European far right is more a marriage of convenience than one of true love This unique book examines the European far right's connections with Russia and untangles this puzzle by tracing the ideological origins and individual paths that have materialized in this permanent dialogue between Russia and Europe René Guénon.
