Radical Visions and American Dreams Richard H. Pells,1973 The Great Depression of the 1930s was more than an economic catastrophe to many American writers and artists Attracted to Marxist ideals they interpreted the crisis as a symptom of a deeper spiritual malaise that reflected the dehumanizing effects of capitalism and they advocated more sweeping social changes than those enacted under the New Deal In Radical Visions and American Dreams Richard Pells

discusses the work of Lewis Mumford John Dewey Reinhold Niebuhr Edmund Wilson and Orson Welles among others He analyzes developments in liberal reform radical social criticism literature the theater and mass culture and especially the impact of Hollywood on depression era America By placing cultural developments against the background of the New Deal the influence of the American Communist Party and the coming of World War II Pells explains how these artists and intellectuals wanted to transform American society yet why they wound up defending the American Dream A new preface enhances this classic work of American cultural history 'A Midsummer Nights Dream' in Context Keith Linley,2016-11-21 Everything you need to know about the cultural contexts of A Midsummer Night s Dream Is this just a light hearted romp or is Shakespeare trying to make serious points about courtship love marriage and human folly This book provides detailed in depth discussion of the various influences that an Elizabethan audience would have brought to interpreting the play How did people think about the world about God about sin about kings about civilized conduct about the magic and madness of love and attraction Historical literary political sociological backgrounds are explained within the biblical moral matrices by which the play would have been judged This book links real life in the late 1590s to the world on the stage Discover the orthodox beliefs people held about religion Meet the Devil Sin and Death Learn about the social hierarchy gender relationships court corruption class tensions the literary profile of the time attitudes to comedy and all the subversions transgressions and oppositions that made the play a hilarious farce but also an unsettling picture of a world so close to disaster **Australian National Bibliography** ,1994 **Nadine Gordimer and the Rhetoric of Otherness in Post-Apartheid South Africa** Maria-Luiza Caraivan,2017-01-06 Nadine Gordimer and the Rhetoric of Otherness in Post Apartheid South Africa observes and examines several issues that are central to the South African writer s works the uniqueness of terror in a difficult historical period the desire to annihilate racial oppression and above all the psychological alienation provoked by racism The analysis also focuses on literary topics that are specific to Gordimer s post Apartheid writings such as the significance of multiculturalism the status of writers the banalisation of violence due to mass media coverage the reconciliation with a violent past globalization and loss of cultural and national identity economic exile and migration The book proposes in five chapters a journey into Nadine Gordimer s novels short stories and non fiction that presents the reader with a multifaceted Other who is no longer specific to postcolonial and multicultural South Africa but can be identified across the globe as alterity is redefined by globalization *Search for the Image of Forefather in Dreams* Gideon M. Kressel,2016-03-30 On evaluating dreams as the most important source of information concerning the unconscious we are to bear in mind the contemporary cultural conscience that effect both the capacity of dreams and their interpretation Dreams reflect memorized occurrences that have an impact on peoples psyche Although human minds are shaped alike and dreams may occur confronting them with a self same manner the analysis of dreaming materials and the sense given to dreams are culturally varied It is the cultural accent tested at a Middle Eastern society that promotes the appearance of elderly men while conceals

speaking on the presence of women mothers or others in dreams Assimilation of the fundamental insight causing psychic life is founded on two poles maternal and paternal It is the accent of cultural life that differentiates estimation of the image of each parent when appearing in dreams whether the first or the second is left largely unobserved the other obliges a perceiving attention Primordial images of The Great Mother find an outward expression in the ritual mythology and art of early man Revealing in track of The Golden Bough of J G Frazer present day accounts of dreams evince its relevance in tackling with modern mans dreams We call attention to selective concerns with Great Fathers appearing in dreams a pattern born in mind following the ancient matriarchal era that causes an avoidance of talk of dreams engaging the visit of mothers in dreamers minds *Students of the World* Pedro Monaville,2022-07-11 On June 30 1960 the day of the Congo s

independence Prime Minister Patrice Lumumba gave a fiery speech in which he conjured a definitive shift away from a past of colonial oppression toward a future of sovereignty dignity and justice His assassination a few months later showed how much neocolonial forces and the Cold War jeopardized African movements for liberation In *Students of the World* Pedro Monaville traces a generation of Congolese student activists who refused to accept the foreclosure of the future Lumumba envisioned These students sought to decolonize university campuses but the projects of emancipation they articulated went well beyond transforming higher education Monaville explores the modes of being and thinking that shaped their politics He outlines a trajectory of radicalization in which gender constructions cosmopolitan dispositions and the influence of a dissident popular culture mattered as much as access to various networks of activism and revolutionary thinking By illuminating the many worlds inhabited by Congolese students at the time of decolonization Monaville charts new ways of writing histories of the global 1960s from Africa *The Spectator* ,1910 **Bruce Springsteen, Cultural Studies, and the Runaway American Dream** Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce
