Edinburgh Companion to Ancient Greece and Rome Edward Bispham, 2006-07-24 The Edinburgh Companion newly available in paperback is a gateway to the fascinating worlds of ancient Greece and Rome Wide ranging in its approach it demonstrates the multifaceted nature of classical civilisation and enables readers to gain guidance in drawing together the perspectives and methods of different disciplines from philosophy to history from poetry to archaeology from art history to numismatics and many more

Athenian Democracy: A Sourcebook Luca Asmonti, 2014-12-18 This volume presents a wide range of literary and epigraphic sources on the history of the world's first democracy offering a comprehensive survey of the key themes and principles of Athenian democratic culture Beginning with the mythical origins of Athenian democracy under Theseus and describing the historical development of Athens democratic institutions through Solon's reforms to the birth of democracy under Cleisthenes the book addresses the wider cultural and social repercussions of the democratic system concluding with a survey of Athenian democracy in the Hellenistic and Roman age All sources are presented in translation with full annotation and commentary and each chapter opens with an introduction to provide background and direction for readers Sources include material by Aristotle Homer Aristophanes Herodotus Thucydides Cicero Tacitus and many others The volume also includes an A-Z of key terms an annotated bibliography with suggestions for further reading in the primary sources as well as modern critical works on Athenian democracy and a full index

A Sourcebook for Classical Rhetoric John Tomarchio, 2023-09-22 This Sourcebook is intended for students of liberal arts and great books It treats such books as primary sources for inquiring into the nature of human speech because they clarify the terms and stakes of perennial questions thinking human beings ask themselves about persuasive speaking By crystallizing viable claims about the nature of what we confront in politics and society live claims for us to confront in our own with the stakes of that confrontation being live as well they originate a dialectic with one another and with us their readers Cicero called rhetoric a liberal art necessary for every citizen of a free republic In the polities of ancient Greece and Rome rhetoric was politically potent because oratory was the regular means of political decision Words were decisive often a matter of life and death not merely for individuals but for peoples In human milieux where human speech is so politically decisive reflection upon its nature became keen The selections of this sourcebook have been arranged in three sequences The first two sequences comprise philosophical dialogues on the ends of rhetoric Selections from Plato's Gorgias Phaedrus and Apology examine the rhetorician or teacher of rhetoric and then Cicero's De oratore offers us a dialectic among practitioners about its practice The philosophical dialogues on the art's intended ends and causative effects provide the theoretical and ethical context for examining its means These philosophical dialogues are thus propaedeutic to the third sequence which focusses on the art itself with selections from Aristotle's treatise On Rhetoric paired with orations from Thucydides History of the Peloponnesian War

Illiterate Geography in Classical Athens and Rome Daniela Dueck, 2020-11-26 This study is devoted to the

channels through which geographic knowledge circulated in classical societies outside of textual transmission It explores understanding of geography among the non elites as opposed to scholarly and scientific geography solely in written form which was the province of a very small number of learned people It deals with non literary knowledge of geography geography not derived from texts as it was available to people educated or not who did not read geographic works This main issue is composed of two central questions how if at all was geographic data available outside of textual transmission and in contexts in which there was no need to write or read And what could the public know of geography In general three groups of sources are relevant to this quest oral communications preserved in writing public non textual performances and visual artefacts and monuments All of these are examined as potential sources for the aural and visual geographic knowledge of Greco Roman publics This volume will be of interest to anyone working on geography in the ancient world and to those studying non elite culture *Forthcoming Books* Rose Arny,2004 **Pagans and Christians in Late Antiquity** A. D. Lee,2015-08-11 In *Pagans and Christians in Late Antiquity* A D Lee documents the transformation of the religious landscape of the Roman world from one of enormous diversity of religious practices and creeds in the 3rd century to a situation where by the 6th century Christianity had become the dominant religious force Using translated extracts from contemporary sources he examines the fortunes of pagans and Christians from the upheavals of the 3rd Century through the dramatic events associated with the emperors Constantine Julian and Theodosius in the 4th to the increasingly tumultuous times of the 5th and 6th centuries while also illustrating important themes in late antique Christianity such as the growth of monasticism the emerging power of bishops and the development of pilgrimage as well as the fate of other significant religious groups including Jews and Manichaeans This new edition has been updated to include additional documentary material including newly published papyri an expanded chapter on the emperor Constantine greater attention to church controversies in the fourth and fifth centuries thoroughly updated references and further reading taking into account developments in modern scholarship during the past fifteen years *Pagans and Christians in Late Antiquity* is an invaluable resource for students of the late antique world and of early Christianity and the early Church **Pompeii and Herculaneum** Alison E. Cooley,M. G. L. Cooley,2013-10 The original edition of *Pompeii A Sourcebook* was a crucial resource for students of the site Now updated to include material from Herculaneum the neighbouring town also buried in the eruption of Vesuvius *Pompeii and Herculaneum A Sourcebook* allows readers to form a richer and more diverse picture of urban life on the Bay of Naples Focusing upon inscriptions and ancient texts it translates and sets into context a representative sample of the huge range of source material uncovered in these towns From the labels on wine jars to scribbled insults and from advertisements for gladiatorial contests to love poetry the individual chapters explore the early history of Pompeii and Herculaneum their destruction leisure pursuits politics commerce religion the family and society Information about Pompeii and Herculaneum from authors based in Rome is included but the great majority of sources come from the cities themselves written by their ordinary inhabitants men and

women citizens and slaves Incorporating the latest research and finds from the two cities and enhanced with more photographs maps and plans Pompeii and Herculaneum A Sourcebook offers an invaluable resource for anyone studying or visiting the sites Athenian Political Oratory ,2004 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *Women in the Ancient Near East* Mark Chavalas,2013-10-15 Women in the Ancient Near East provides a collection of primary sources that further our understanding of women from Mesopotamian and Near Eastern civilizations from the earliest historical and literary texts in the third millennium BC to the end of Mesopotamian political autonomy in the sixth century BC This book is a valuable resource for historians of the Near East and for those studying women in the ancient world It moves beyond simply identifying women in the Near East to attempting to place them in historical and literary context following the latest research A number of literary genres are represented including myths and epics proverbs medical texts law collections letters treaties as well as building dedicatory and funerary inscriptions
