Prison Of Love:

Prison Love D. Braxtonbrown-Smith,2008 When one thinks of prison the element that is most commonly omitted is love Like in the outside world love has its ups and its downs its ins and its outs and complexities that send one soaring to the highest of highs and plummeting to the lowest of lows Prison Love is a personal and thoughtful account of the different types of love in a place that is known for backstabbing cutthroat deals and deadly violence It is a place that can degrade the goodness of humanity harden the heart and kill one's joy Serving a six year prison term in Alderson West Virginia Dr D Braxtonbrown Smith glimpsed another side of prison life This unspoken aspect of incarceration is a way of survival for the growing number of women who find themselves snatched away from their families In this new life experience Dr Braxtonbrown Smith had to consciously decide how to handle her own love life Like thousands of women behind bars the choice of lesbianism and sex with officers were among the many choices The choice she made not only strengthened her marriage but also helped others realize their own strength Prison Love is a true account of choices that women make in an effort to survive isolation while trying to hold on to what it means to be a woman **Prison Love** Raylan Gilford,2024-03-06 Raylan Gilford served twenty eight years seven months and twenty five days straight of long term incarceration inside the Illinois Department of Corrections During that period with the exception of four years in total Mr Gilford kept something soft sexy and sweet i e a woman in his life who was longing for his presence on the opposite side of those locked bars and gates Such a life experience certifies Mr Gilford as a prison love scientist So if you are tired of missing commissary tired of the officer mail person moving pass your cell like s he s in the matrix tired of your collect calls being denied tired of hearing about the big booty girls in the visiting room or how good the vending machine food taste or tired of falling in love with TV women or ladies from a girly magazine then this book is for you Peep game Prison Love How to Maintain a Penitentiary Relationship *Flame and Prison Love* D. A. Brooks,2014-07-01 Cherokee has that look of gentleness serenely wise beyond her years That is beautifully delicate also with the strength that doesn't lessen her femininity Her body is active like the ocean's waves when she walks into a room she pauses broadcasting a regal certainty her beauty is unreal in the dimmest of lighting Still she carries herself confidently aware of the appreciative glances men give Always sporting tasty S Being dealt one of life's complicated hands with her mother on drugs The sudden death of her beloved father has her ready for whatever else life has to throw her way Fighting to graduate from high school and head to college with no money it seems like a dream forcing her to work in an odd profession highlighting some of her endowments and beauty Now of age and ready to Explorer into the secret world of a fat gentleman that don't mind dropping their currency from all area codes that frequent the After Dark Club Where there is no business like stripping After Dark **The Joliet Prison Post** ,1914 Proceedings of the Annual Congress of the National Prison Association of the United States National Prison Association of the United States. Congress,1903 The Prison Question Charles Howell Reeve,1890 Beyond the Walls of Separation Tobias

Brandner,2013-12-03 Beyond the Walls of Separation is an essential and easy to read guidebook for chaplains and volunteers working in the context of prison and for all those who are professionally or through family links related to those in prison The book tells the story of what life behind bars is and how inmates experience transformation through Christian faith People at the crisis points of their life where they are shattered and where little is left of what made them may experience life as fragile and as a transparent filter for the mysterious Yet they also may experience God s life giving presence Love expressed in forgiveness against all odds against all merits and previous experiences lies at the root of many stories of transformation that emerge from prison The book guides visitors to approach inmates without condescension with an awareness of the social dimension of power and inequality and with sensitivity to the suffering and alienation that individual prisoners experience The many years of prison ministry in different cultural contexts and with inmates from all nations have taught the author that Christ does not need to be brought to prison through visitors through evangelistic events or through Christian outreach He is already powerfully present in prison

Disturbing Attachments Kadji Amin, 2017-08-31 Jean Genet 1910-1992 resonates perhaps more than any other canonical queer figure from the pre Stonewall past with contemporary queer sensibilities attuned to a defiant non normativity Not only sexually queer Genet was also a criminal and a social pariah a bitter opponent of the police state and an ally of revolutionary anticolonial movements In Disturbing Attachments Kadji Amin challenges the idealization of Genet as a paradigmatic figure within queer studies to illuminate the methodological dilemmas at the heart of queer theory Pederasty which was central to Genet's sexuality and to his passionate cross racial and transnational political activism late in life is among a series of problematic and outmoded queer attachments that Amin uses to deidealize and historicize queer theory He brings the genealogy of Genet's imaginaries of attachment to bear on pressing issues within contemporary queer politics and scholarship including prison abolition homonationalism and pinkwashing Disturbing Attachments productively and provocatively unsettles queer studies by excavating the history of its affective tendencies to reveal and ultimately expand the contexts that inform the use and connotations of the term queer
