Psicoterapias Breves:

Psicoterapias breves Glaucia Mitsuko Ataka da Rocha, Tales Vilela Santeiro, Evandro de Moraes Peixoto, Maria Leonor Enéas, Giovanna Corte Honda, 2023-07-07 As psicoterapias breves são uma modalidade de atendimento aplicável em contextos institucionais especialmente na saúde pública Apesar da disseminação de que essas psicoterapias seriam uma abreviação temporal da modalidade de longo prazo elas exigem na realidade conhecimento técnico que possibilitem que uma psicoterapia seja breve e tenha bons resultados O livro reúne contribuições de psicoterapeutas e pesquisadores sobre propostas de psicoterapia breve de diferentes orientações técnicas que permitirão ao leitor uma visão ampla da teoria e da prática dessa modalidade de psicoterapia Inicia-se com uma seção que trata de aspectos técnicos mais gerais para em seguida apresentar algumas das diversas propostas que praticamos na atualidade *Psicoterapia breve y de emergencia* Leopold Bellak, Leonard Small, 1988 Jewish Communities in Asia Minor Paul R. Trebilco, 1991 **Psicoterapia Breve** Mauro Hegenberg, 2004 *Challenges of Psychoanalysis in the 21st Century* José Guimón, Sara Zac de Filc, 2012-12-06 During discussion of psychoanalysis and virtual reality in the new millennium it was predicted that in the next century the differences between the conscious unconscious and the pre-conscious will have to be reconsidered in view of the ever expanding concepts created by virtual reality There will be virtual sexual acts over the Internet ovum parthenogenesis will be possible without the intervention of the male and clonic reproduction of the human being will be carried out in the laboratory The child born in these circumstances will relate to a widening array of potential parental figures the classic heterosexual couple the single parent family the homosexual couple the transsexual figure etc All this will of course alter the classic Oedipal constellation and without doubt the gender identity of the child There will be attempts to undergo psychoanalysis via the Internet in the same way that other kinds of psychotherapy are being virtualized But this will force us to redefine transference On the other hand it seems likely that psychoanalysis as a psychotherapeutic tool will in the 21st century relate more to somatic medical patients or to the worried well than to psychiatric patients These brief considerations on the scope of our deliberations in some way explain the diversity of this book but also justify its interest Psicoterapias breves con objetivos limitados Argentina. Servicio Nacional del Menor y la Familia, 1978 **Introducción al asesoramiento pastoral de la familia AETH** Jorge E. Maldonado, 2004-05-01 La pérdida de valores morales que llevan a considerar todo desde una perspectiva groseramente relativista la situación social y económica tan crítica que lleva a tratar de protegernos de cualquier manera posible el materialismo contemporáneo que nos hace creer que teniendo más cosas seremos más felices y otros muchos aspectos similares han provocado una crisis que se refleja y tiene sus efectos en la pareja y familia contemporánea La sociedad ha contagiado su enfermedad a la familia As pues esta unidad básica sufre los devastadores efectos del tiempo y sociedad en que nos ha tocado vivir Hay algo que se pueda hacer Hay remedio que alivie esa enfermedad El Dr Maldonado nos muestra que para que la familia pueda procesar cualquier situación crítica que estén viviendo y salir adelante por el camino

de la recuperaci n y el crecimiento la mayor parte del tiempo requiere de orientaci n consejo o asesor a As pues y desde la perspectiva cristiana en este libro el Dr Maldonado presenta los elementos b sicos de la asesor a los criterios que servir n para identificar a una familia sana e ir hacia ella y las metas que se deben perseguir al asesorar y que servir n al asesor o consejero para promover el sano crecimiento tanto de la pareja como de la familia Porque a final de cuentas la familia no es solamente el lugar donde encontramos refugio y alimento La familia por sobre todo es el lugar donde nos formamos como y donde somos verdaderamente humanos y cristianos
