Outrageous Mercy William P. Farley,2004 Discover powerful life transforming truths conveyed by one of the most visible yet least explored objects of all time the cross of Christ *The Shape of Christian History* Scott W. Sunquist,2022-06-28

Christian Gene Wesley Marshall,2020-04-13 The practice of Christianity is going through a transition that is deeper than the Reformation *The Thinking Christian* explores two main questions 1 What is religion as a general social process that can link humans to Profound Reality and 2 what is a meaningful and appropriate mode of Christian theologizing communal life and mission to this planet for a viable and vital next Christian practice These are profound probes and they are communal and activist guidelines for general readers Such union of the profound and the practical pertains to the needs of scholars as well

Christian Natural Law and Religious Freedom Alex Deagon,2025-06-30 Deagon addresses the need for a robust theoretical foundation for religious freedom that accounts for its transcendent nature What is the idea of religious freedom Where does it come from Why should it be protected These important questions for understanding religious freedom are usually addressed through secular and immanent foundations which are unable to sufficiently grapple with the religious nature of religious freedom its connection with the divine Deagon proposes an alternative approach rooted in Christian Natural Law In Part I of the book Deagon defines and develops Christian Natural Law identifying three consistent themes Love the True and the Good In Part II Deagon deploys Christian Natural Law to articulate a theological framework for religious freedom which shows that religious freedom is an individual and social good is oriented to the true and is grounded in love In doing so Deagon offers a new foundation for religious freedom which properly considers it as a matter of both human and divine action This book will be of interest to those engaged in law and religion studies in particular scholars of religious freedom theology and jurisprudence and human rights **Christianity, Plasticity, and Spectral Heritages**

Victor E. Taylor,2017-07-20 This book is an interdisciplinary study of the cultural representations of Jesus in the context of contemporary religious theory and continental philosophy It looks at Jesus in view of an updated Derridean hauntology and spectrality with an emphasis on the inherent plasticity of the Christian heritage While the work engages with the recent Jesus centered writings of Slavoj i ek Fran ois Laruelle and Giorgio Agamben it places a greater and much needed emphasis on the philosophical theological and cultural links between a plastic hauntological Christian heritage and Jesus s historically evolving plural subjectivity with the latter explored in texts of popular culture It is a multidisciplinary study of Jesus as well as a dynamic Christian heritage that simultaneously constructs and deconstructs Jesus s philosophical political and cultural

centrality The Sociology of Religion Malcolm B. Hamilton, 2012-06-12 This clear introduction to the sociology of religion combines a discussion of key theorists with a modern emphasis on the diversity of religious beliefs and practices Malcolm Hamilton's expanded second edition brings the discussion fully up to date and extends its material on secularization and religious sects giving a broad comparative view Drawing on the insights of history anthropology and sociology he surveys classic and contemporary theory to give a full picture of the variety and scope of theoretical perspectives **Fifty Key Christian Thinkers** Peter McEnhill, George Newlands, 2004-08-02 Fifty Key Christian Thinkers provides both valuable information and stimulating debate on the lives and work of fifty of the most important Christian theologians This guide provides an overview of Christian theology from the emergence of the faith 2000 years ago to the present day Among the figures profiled in this accessible guide are St Paul Barth Aquinas Boethius Niebuhr Calvin Luther Feuerbach Kierkegaard Origen **Super, Natural Christians** Sallie McFague, A former dean at Vanderbilt University's Divinity School Sallie McFague calls Christians down to earth In a readable and available style alive with concrete imagery and autobiographical material McFague crafts a Christian spirituality centered on nature as the focus and locus of our encounter with the divine She helps us see all life as created in the image of God
