Radical Answers from the Minor Prophets Gary Holloway, 2001 **The Minor Prophets** Craig G. Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible *From the Minor Prophets: Bible Studies* William Flewelling, 2020-11-24 The Bible Studies I chose to do came about through the request from my first congregation out of Seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume I follow the studies on five of the twelve minor prophets Hosea Joel Amos Habakkuk and Malachi each following the pattern of study I had developed [The Twelve Minor Prophets](#) Carl Friedrich Keil, Franz Delitzsch, 1871 [The Minor Prophets](#) Thomas Edward McComiskey, 2009 Combining three volumes in one this affordable edition brings noted evangelical scholars together to offer an authoritative evangelical treatment of the minor prophets **The Targum of the Minor Prophets** , 2024-05-15 Although the term minor prophets is a familiar one in English Bible translations it is not a felicitous one since it applies as much to Hosea as to Haggai and to Amos as to Obadiah The Targum offers no such pecking order Nuggets of importance are as likely to be found in a Targumized minor prophet as a major one Included in this volume are the books of Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi The authors apparatus in the introduction provides the translational characteristics theology life setting text and versions language rabbinic citations and parallels dating manuscripts and bibliography A series of indices is also included **Homiletical Commentary on the Minor Prophets** James Wolfendale, 1879 **Minor Prophets in a Major Key** Chris Woodall, 2018-01-24 All Scripture is God breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer's walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before a brief overview reveals the main points of that author's writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty first century from lessons over two and a half thousand years old Chris

Woodall is former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God s Self Disclosure 2011 Kingdom the Expression of God s Rule 2012 and Atonement God s Means of Effecting Man s Reconciliation 2015 are also available from this publisher and other outlets
