did Andrew and Mark the sons who d spent their lives believing in and building their own families around their father s business first learn of the massive deception How does a wife who adored her husband since they were teenagers begin to understand the ramifications of his actions The Madoffs were a tight knit and even claustrophobic clan sticking together through marriages divorces and illnesses But the pressures of enduring the massive scandal push them to their breaking points most of all son Mark whose suicide is one of the many tragedies that grew in the wake of the scandal Muzzled by lawyers vilified by the media and roundly condemned by the public the Madoffs have chosen to keep their silence until now Ultimately theirs is one of the most riveting stories of our time a modern day Greek tragedy about money power lies family truth and consequences
