Rain Or Shine A Family Memoir:

Rain Or Shine Cyra McFadden, 1998-01-01 Cy Taillon was the molasses voiced king of rodeo announcers When he died in 1980 newspapers in the West canonized him as the dean of rodeo and compared him to John Wayne A reformed rake handsome and charming and flashy he was also difficult often more lovable to the public than to his family In the thirties he married a spitfire dancer from Arkansas who changed her name from Nedra Ann to Patricia and they hit the road in pursuit of stardom Their daughter Cyra grew up on the rodeo circuit traveling all over the West with her free spirited hell raising parents often eating hamburgers and sleeping in the Packard She was the mascot dressed in cowboy gear in spite of her father who wanted her to look like Shirley Temple Rain or Shine is the story of Cyra s complex relationship with her parents and eccentric relatives She looks back with pride regret and humor on family life spent and misspent in the gaudy gritty world of rodeo

Canada as a white man's country and shows how rural rodeos have been communities in which different rules applied. Lavishly illustrated, this creative history will change the way we see the West's most controversial sport. **Reel San Francisco Stories: An Annotated Filmography of the Bay Area** Christopher Pollock, 2013. Have you ever wondered whether a movie you are watching was filmed in San Francisco or the Bay Area? More than 600 movies, from blockbuster features to lesser-known indies, have been entirely or partially set in the region since 1927 when talkies made their debut. This essential publication will satisfy your curiosity and identify locations. Beyond the matter of fact location information, this book tells the stories behind the films and about the sites used. It also highlights those actors, directors, or technical staff who originated from the Bay Area or have come to call it home. **Ms. Magazine** Gloria Steinem, Robin Morgan, Joanne Edgar, Patricia Theresa Carbine, Nina Finkelstein, Letty Cottin Pogrebin, 1986. **The Story of Bug: A Memoir of Resilience** Jane Aylor Fretz, 2017-04-26. The Story of Bug is a rich evocative memoir about growing up in southern West Virginia where the author's dramatic mercurial mother's violent outbursts keep her family on edge. As a young child, Bug longs for love from the one woman who means the most to her. She feels her aching heart is being kept on a leash tied to the mother she never really knows. A plucky, imaginative, and resilient little girl, Bug defends the weak, cares for the wounded, and faces down danger. As she watches her mother peel back layers of rage, the warring between her parents increases. Finding herself in the unique position of having to parent her parents, Bug learns to care for herself as she monitors the violence and her mother's downward spiral. Written after the deaths of her parents, this moving memoir reckons with the author's difficult past and is an act of both resurrection and reconciliation. **Comparing Cowboys and Frontiers** Richard W. Slatta, 1997. Historians of the American West, perhaps inspired by NAFTA and Internet communication, are expanding their intellectual horizons across borders north and south. This collection of essays functions as a how-to guide to comparative frontier research in the Americas. Frontier specialist Richard W. Slatta presents topics, techniques, and methods that will intrigue social science professionals and western history buffs alike as he explores the frontiers of North and South America from Spanish colonial days into the twentieth century. The always popular cowboy is joined by the fascinating gaucho, llanero, vaquero, and charro, as Slatta compares their work techniques, roundups, songs, tack, lingo, equestrian culture, and vices. We visit saloons and pulperias as well as plains and pampas, and Slatta expertly compares clothing, weather, terrain, diets, alcoholic beverages, card games, and military tactics. From primary records, we learn how Europeans, Native Americans, and African Americans became the ranch hands, cowmen, and buckaroos of the Americas and why their dependence on the ranch cattle industry kept them bachelors and landless peons. **Rodeo** Susan Nance, 2020-04-23. What would rodeo look like if we took it as a record not of human triumph and resilience but of human imperfection and stubbornness? Asks animal historian Susan Nance. Against the backdrop of the larger histories of ranching, cattle, horses, and the environment in the West, this book explores how the evolution of rodeo has reflected rural western beliefs and assumptions about the natural world that have led to

environmental crises and served the beef empire By unearthing behind the scenes stories of rodeo animals as diverse individuals this book lays bare contradictions within rodeo and the rural West For almost 150 years westerners have used rodeo to symbolically reenact their struggles with animals and the land as uniformly progressive and triumphant Nance upends that view with accounts of individual animals that reveal how diligently rodeo people have worked to make livestock into surrogates for the trials of rural life in the West and the violence in its history Western horses and cattle were more than just props Rodeo reclaims their lived history through compelling stories of anonymous roping steers and calves who inspired reform of the sport such as the famed but abused buckner Steamboat and the many broncs and bulls famous or not who unknowingly built an industry Rodeo is a dangerous sport that reveals many westerners as people proudly tolerant of risk and violence and ready to impose these values on livestock In *Rodeo An Animal History* Nance pushes past standard histories and the sport's publicity to show how rodeo was shot through with stubbornness and human failing as much as fortitude and community spirit

Montana Disasters Butch Larcombe, In *Montana Disasters* fourth generation Montanan Butch Larcombe chronicles not just the explosions fires floods earthquakes avalanches train wrecks airplane crashes and other major tragedies spanning more than a century Through meticulous research and more than 100 historical photographs Larcombe brings to life the true stories at turns gut wrenching and heroic of the victims survivors and rescuers
